

## IMPORTANT INFORMATION ABOUT YOUR MEDICAL ASSISTANCE (MA)

It is important that you review the information below which explains what we need.

### What you need to do:

You must show that you have completed community engagement and work activities or provide information that completing community engagement and work activities does not apply to you by **[35 days from mail date]**. - Volunteering or completing community service,
- Any combination of the above that adds up to 80 hours a month, **or**

- If you are a seasonal worker, you can verify community engagement and work activities if your average monthly income for the last six months was at least \$580.

### Who does NOT need to complete community engagement and work activities:

You do not need to provide verification of completing community engagement and work activities if you provide information that you meet one of the exemptions:

You must cooperate in providing the required verification or information by the due date or you may be disenrolled from MA benefits.

### **Why am I getting this letter?**

We do not have enough information to confirm whether you completed required activities for at least one month since your last MA renewal or that an exemption applies to you.

### **What documents can I provide as proof of community engagement?**

Examples include:

- Pay stubs, employer letter, or proof of gig work earnings
- School enrollment/attendance record
- Training program participation letter
- Volunteer or community service timesheet

### **Do I need to provide verification for every month since my last renewal?**

No. You only need to verify activities you did in **one month** or provide information that an exemption applies to you.

### **What month should I choose?**

Any month since your last renewal where you:

- completed 80 hours of community engagement and work activities,
- earned \$580 or more, or
- qualified for an exemption.

Choose the month that is easiest for you to document.

### **What proof should I send for exemptions?**

We can accept your statement for most exemptions. You can complete and return the Assessment Form [included in this packet](#) to report who in your household meets an exemption.

### **What if I cannot provide verification in time?**
