

KRAZY SUSHI

All You Can Eat

All You Can Eat Rules

A gratuity of 18% will be added for parties of 5 or more

1. Rice is a part of Sushi

Everyone loves to eat our slices of fresh fish! However, when ordering sushi, the rice is A PART of the Sushi. If sushi rice is left-over, we will have to charge you a left-over price (A-La-Carte price). Let's fill our stomachs and save our planet by reducing food waste!

2. No sharing

Sharing can only occur between AYCE partners. If one person is A-La-Carte and one person is AYCE, they can NOT share. If you would like to share, they can participate in AYCE. In our restaurant, sharing is caring ONLY between AYCE partners.

3. Order Little by Little

As Nemo and Dory say "Just Keep Swimming". At Krazy Sushi, we say "Order Little by Little". This rule is to ensure that our food is not wasted. Leftovers will be charged as A-La-Carte price.

4. Order only from the AYCE menu

Customers ordering from the All You Can Eat Menu can not substitute or add additional ingredients. Please let us know if you have allergies, we will take those out for you. If you want more specialized roles, the A-La-Carte option would be better for you!

AYCE includes ONE dessert and all appetizers (check for specifics).

AYCE portions are different from A-La-Carte Portions
