Three Night Stay in the Holy Land of Wisconsin!

Date to be mutually agreed upon by donor and winner.

Welcome to our family cabin! Located just a short drive north and a little east of the town of St. Croix Falls, Wisconsin (which is right across the river from Taylor's Falls, Minnesota) and only about an hour and a half drive from St. Peter's. Situated on 86 acres of rolling woods, prairie, and wetlands in Northwestern Wisconsin, ours is not the usual "up North" destination — it's a peaceful retreat in the woods, nestled on the quiet southern shore of a 9-acre private lake.

The cabin was completed in October of 2018, has 3 bedrooms (two on the main floor and one enclosed loft room), 3 bathrooms, an open "great" room with a living room and kitchen, and an expensive deck that overlooks the lake. Eight people can sleep comfortably (2 in the king-sized bed in the master bedroom, 2 in a second main-floor bedroom that has two extra-long twin beds that can be arranged into a king bed, 4 twin beds in the loft bedroom.)

Donated by Paula and Tom Kraus

Bidding begins at \$400.
