## DEAR VALUED PARTNER...

GCCMAA and its members hold relationships with local and national vendors in the highest regard. We understand that strong vendor relations are paramount to successful club operations. As a result, our annual GCCMAA partnership opportunities are designed to foster relationships that benefit our industry as a whole.

In this packet you will find a variety of unique partnership options to benefit your company that are much more than just advertising. With our tiered packages, you will connect with our regional network of professionals through special events, monthly educational sessions, business sessions, and other activities.

All vendor partnerships directly support GCCMAA members' educational and professional opportunities. Your company's participation provides the Chapter with the necessary funding for its high-quality education and programs.

Please join us by registering as a Vendor Partner today!
