- TYR Avictor Venom

### **Boys Suits (11-12)**

- TYR Thresher

### **Boys Suits (10 and Under)**

- Tech suits are not permitted for 10 and under swimmers. Your team suit is your required suit for all competition including championship meets.

Only swimmers competing at the Junior Nationals or above should consider purchasing the TYR Venzo. It is quite expensive and not necessary for regional or state level swimming. The Avictor Venom or B-Series are great suits for the majority of our swimmers. Choose the style (open or closed back) that fits you the best.

The only TYR suits not recommended is the Fusion. This is not markedly better than our standard team suit and not worth the extra expense. If you are thinking about a lower price range, go with the Thresher.
