

December 2025 Newsletter

We had so many activities in November... Thank you to all who participated and brought something in to share =) Our bread day and stone soup day was a success... The children really enjoyed sharing about their favorite bread as well as eating what they made !!! The best part was talking about helping those in need and that sharing something small and coming together can feed many people. We felt the empathy from the children. Unfortunately, we missed our Thanksgiving Feast, but hope you enjoyed the childrens performance videos during their practice !!!

Can you believe this is the last month of 2025 !!! Another year flew by !!! With this being the last month of 2025, lets make the best of this month and be greatful for what we have, and the love that surround us <3 We would like to Wish everyone a Happy Holidays full of love and joy this Holiday Season !!! Cherish all the good memories... Do what you were't able to accomplish... Learn from all the mistakes... and make 2026 a much more fun and enjoyable one !!!

We will be working on many arts and craft projects this month to help decorate our tree at school... Although we will still be teaching our curriculum, it will be a fun month !!! We will also have some cooking project days as well. Please help us celebrate Hannukah, and Christmas by wearing those colors on the days listed below !!! We will also have a lazy day of pajama with popcorn, hot chocolate and a movie on the last day before the break !!!

Important Dates To Remember
