

February 2026 Newsletter

Can you believe that January is already over !!! That's one month down and eleven more to go =) We'll all be another year older and wiser !!! Wishing you all the best for the year 2026 full of love, happiness, good health and prosperity !!!

Happy Lunar New Year !!! Year of the Fire Horse !!! We will have our Chinese New Year Potluck and Performance on Friday, February 20th. from 4:30-6pm. Please arrive before 4:30pm. as we will begin promptly. There are extra parking at the church across the street. Potluck sign ups will come out a week before.

Our themes for February will be Valentine's Day, Chinese New Year and Dental Hygiene. We will have a dentist visit this year as the month of February is Dental Month. If you or your child haven't been to the dentist in awhile or is due for a check up... Please make an appointment to visit the dentist !!! We will include dental hygiene in our curriculum and talk to the children about how to keep our teeth clean and healthy.

We will be celebrating Valentine's Day on Friday, the 13th. So please bring in valentine cards and/or treats for the children (if your child doesn't come in on a Friday, you can bring them on Thursday and they will be able to pass theirs out on Thursday then bring their bag of goodies home on Monday after all their friends have passed theirs out... A few guidelines. Please write... (FROM: your child's name) Please DO NOT write friends names on the TO: section as it makes it harder and time consuming for the children to pass them out to their friends. Also, if you would like to bring in treats... Please NO NUTS and make sure the treats are INDIVIDUALLY WRAPPED so the children can bring them home. Please DO NOT separate between boy and girl valentines. Please prepare for 8 friends. Thanks !!!

REMINDER... Please continue to follow our sick policy and keep your child home if and when your child has a runny nose, cough etc... This will keep everyone safe. I'm pretty sure you wouldn't want other sick children at the school and get your child sick. Please be considerate.
