# Reading the Schedule

Schuyler County Transit schedules are designed to be read from left to right. Each route has a schedule that includes a map and timetables with stop locations and direction of travel.

- 1. **Choose Your Route** – Begin by choosing your route based on your desired pick up location and your destination. This determines the direction you are traveling. For example, in the image below, the passenger is going from Watkins Glen toward Ithaca, so would choose the “OUTBOUND towards ITHACA” table.

OUTBOUND towards ITHACA				
er Hospital	Walmart	Mill St. & Main St.	Park-n-Ride	Park

- 2. **Find Your Stops** – Find the stop nearest your desired pick-up location as your starting bus stop. Follow the designated stop list from left to right to find your destination bus stop.
- 3. **Find Your Times** – From your starting point read down the table to your desired pick-up time. Then read from left to right to find your destination drop off time

In this example the passenger uses Route 6, Tompkins Connections, to get from Schuyler Hospital to Burdett. They will get on the bus at 8:10 AM and arrive at Mill & Main Street in Burdett at 8:33 AM.
