

SUPPORT ENVIRONMENTAL EDUCATION!

Dear Past & Future Fall Harvest Sampler Sponsors,

We are thrilled to announce the **9th Annual Fall Harvest Sampler**, taking place on Friday, September 26th at 7 PM at Peace Valley Nature Center, located at 170 N. Chapman Road, Doylestown, PA.

HELP US KICK OFF THE NEXT 50 YEARS!

This year marks the **50th Anniversary of the Nature Center at Peace Valley Park**, and we're excited to begin celebrating this milestone at our largest fundraising event of the year. With guidance from the Board of Directors, we've developed a bold Five-Year Strategic Plan that includes:

- **Expansion of youth and adult environmental education programs**
- **Improvements to our trails and facilities**
- **Deeper community outreach and engagement**

We look forward to sharing this vision for the future with you as we gather for another memorable Fall Harvest Sampler.

The past year brought challenges, including an extended building closure, but we're excited to announce the reopening this summer, thanks to support from Bucks County and a generous investment from the Friends of Peace Valley Nature Center. Renovations to the building and critical stormwater management upgrades now provide the perfect setting to commemorate 50 years of environmental stewardship and to launch our ambitious plans for the next chapter.

YOUR SUPPORT IS MORE IMPORTANT THAN EVER

Now more than ever, your sponsorship makes a meaningful impact. With increased demand from our surrounding community, your support will help us expand programming, enhance facilities, and welcome more visitors of all ages to explore and learn in nature.

The **Fall Harvest Sampler** is hosted by the **Friends of Peace Valley Nature Center**, a 501(c)(3) nonprofit organization, with support from the **Bucks County Department of Parks and Recreation**. The event features:

- Live music by the **Joe Cirotti Trio**
- A silent auction and raffles
- Seasonal cuisine, wine, craft beer, and local canned cocktails—courtesy of **B&B Beverages** and **Penn Taproom**

ABOUT PEACE VALLEY NATURE CENTER

Nestled in the northeast corner of Peace Valley Park, the 750-acre Peace Valley Nature Center is a designated Important Bird Area (IBA), offering 14 miles of trails and diverse native habitats. Our interactive visitor center, free to the public, provides year-round environmental education programs, volunteer opportunities, and hands-on learning experiences for all ages.

We hope you'll consider becoming a sponsor of this exciting event. Together, we can ensure the continued growth and success of Peace Valley Nature Center for generations to come.

With gratitude,

Andy Jarin, Event chairman
