

Child Care Center Employment Opportunity

All employment requests are handled by each child care provider; ELCPBC is not involved in the hiring process and does not endorse employment for any particular child care program.

Please contact the child care provider directly with any questions about the position. Contact information can be found within the job posting.

Child Care Program: Growing Minds Prep Academy

Position Title: Lead Teacher

Description: We are seeking an energetic and experienced **Preschool Teacher** to join our team! You will be leading a class of students through the school year, assessing their current academic level, and designing instruction to meet students' collective and individual needs. You are passionate about learning and helping students reach their potential. With strong creative and problem-solving skills, you love connecting with individual students and creating an engaging classroom environment.

Qualifications:

- DCF 45 Hours
- Strong understanding of child development principles and best practices in education and classroom management
- Excellent verbal and written communication skills
- Knowledge of classroom health, safety, and sanitation guidelines and ability to closely adhere to the guidelines
- Problem-solving and mediation skills
