

ChromaMind Ecosystem Guide

Unlock Your True Colors. Transform Your Life.

Welcome to the **ChromaMind Ecosystem** — a complete world of personal development, emotional intelligence, and self-discovery powered by **Color Personality Psychology**. Everything in this ecosystem connects to one purpose: helping you become the best version of yourself by understanding your true color identity.

1. The Color Personality System

At the heart of ChromaMind is a groundbreaking framework revealing who you are based on the colors you resonate with most.

Primary Color Personalities

Red • Orange • Yellow • Green • Blue • Purple • Pink • Turquoise • Brown • White • Black • Gray • Gold • Silver • Magenta

Secondary Color Layer

Your secondary color emerges from your ChromaMind Assessment and reveals layered personality traits, emotional tendencies, and growth paths.

2. The ChromaMind Assessment

Your journey begins with the official 20-question interactive assessment.

What It Reveals:
