Welcome to August at The Club At Sonterra

Nathan Gillespy | General Manager

Dear Sonterra Members,

As we welcome the month of August, I hope each of you and your families have enjoyed a wonderful summer at the Club. It is hard to believe how quickly the season has passed, but there is still plenty of time to make a few more memories before school begins and our routines become a little busier again.

I would like to thank everyone who joined us for our Independence Day Celebration, it was an incredible evening filled with friends, family, and community. The fireworks display was, in my opinion, one of the very best we have ever had, and seeing so many families enjoying the evening together is what makes Sonterra such a special place. We have already begun discussing a few exciting changes for next year's celebration that we believe everyone will enjoy even more.

Speaking of Mother Nature, the summer showers certainly made their presence known! While the rain occasionally interrupted our plans, the 6 to 8 inches we received will continue to benefit our golf courses, grounds, and landscaping for the remainder of the year. Sometimes a little patience pays off in a big way.

As families prepare for the start of another school year, I hope everyone is able to enjoy these final weeks of summer together. I would also like to extend a heartfelt thank you to our outstanding summer staff. Their energy, dedication, and commitment to serving our members have helped make this one of the finest summers I have experienced in my nine years at Sonterra. We are incredibly grateful for all of their hard work.

Our golf course improvement projects continue to move forward. The South Course collar renovation is now complete, and our grounds team will continue nurturing the new turf to ensure conditions improve each week. I believe we can all agree that Mike and his entire Golf Course Maintenance team have the course in tremendous condition. Their attention to detail and hard work have resulted in a project that everyone can be proud of.

Inside the Club, we continue making great progress as well. The Garden Room, Fireplace Room, and Ladies' Card Room are now complete, including the installation of new air conditioning units, making these spaces more comfortable than ever.

Construction in the Main Clubhouse continues to move along nicely. We anticipate reopening the main hallway and back restrooms by the end of July, with the Ballroom renovation expected to be completed by the end of August. The Tennis and Fitness locker rooms remain fully under construction, and while we know the temporary inconvenience has required patience, we are confident the finished product will be well worth the wait.

Welcome to August at The Club At Sonterra

Nathan Gillespy | General Manager

Looking ahead, the resurfacing of four tennis courts will begin this month and is expected to take approximately two weeks to complete. These improvements are another example of our ongoing commitment to providing first-class facilities for our members.

As always, thank you for allowing me to be a part of the Sonterra family. It continues to be a privilege to serve this incredible membership, and I sincerely appreciate the support, kindness, and friendships that make this Club so special.

I look forward to seeing you and your family around the Club as we enjoy the remainder of summer and begin another exciting season together.

Warm regards,

Nathan Gillespy

PLAY GOLF - STAY CLASSY

Note From Director of Golf, Zach Ramsey

Welcome Back to the South Course

I don't know about you, but I think we're all ready to put the summer rains behind us! Fortunately, both golf courses handled the weather exceptionally well, and I'd like to thank our Agronomy Team for the incredible work they've done throughout the season. Their efforts have kept our courses in outstanding condition despite Mother Nature throwing just about everything at us.

I'm also excited to welcome everyone back to the South Course following our greens collar renovation. The improvements have turned out beautifully, and with both courses fully open, we'll see a significant increase in rounds and activity around the club over the coming weeks.

With that in mind, I wanted to offer a few friendly reminders that help make the experience enjoyable for everyone.

First, and probably most important this time of year, stay hydrated. August heat in South Texas is no joke. Bring water, refill whenever you have the opportunity, and don't wait until you're thirsty to drink. We want everyone to enjoy their round and head home safely.

Another topic worth mentioning is **Ready Golf**. As part of its Rules Modernization, the USGA encourages golfers to play when they are ready, rather than strictly waiting for the traditional order of play, provided it can be done safely. Ready Golf has become one of the best ways to improve pace of play without changing the game itself.

A few simple habits can make a tremendous difference:

- Be prepared with your club before it's your turn.
- If you're ready and it's safe, go ahead and play.
- Read your putt while others are preparing.
- Leave your cart or bag on the side of the green closest to the next tee.
- Record scores at the next tee instead of on the putting green.

These small adjustments can save as much as 30 minutes during a round while creating a smoother, more enjoyable experience for everyone on the course.

I'd also ask everyone to remember the basics of great golf etiquette. Repair your ball marks (and if you have time, fix another one), replace or fill your divots, rake bunkers after use, observe all cart restrictions, and most importantly, as mentioned above, keep pace with the group in front of you. One of the biggest misconceptions in golf is trying to stay ahead of the group behind you. The proper pace of play is keeping up with the group in front, and doing so helps every group enjoy their day.

Finally, please remember to check in with the Golf Shop or Starter before beginning your round. It helps us manage the tee sheet, provide the best service possible, and ensures everyone gets off to a smooth start.

As always, thank you for taking pride in our club and helping us maintain the outstanding golf experience that makes Sonterra special. I look forward to seeing you on the course this month, and I hope you enjoy everything both courses have to offer.

See you at the club,
Zach Ramsey
Director of Golf

Summer Highlights, Fall Ahead

What a summer it's been out on the courts. From wrapping up our in-house summer leagues to hosting 7 energetic sessions of Red Ball Camp and Junior Tennis Camps, plus an electric 4th of July bash, the courts have been busy with activity and great energy!

August kicks off with our Club Mixed Doubles Championships on August 1st & 2nd. Our after-school junior tennis program starts back up on August 17th, with classes for all ages beginning as young as 4. Registration for the fall sessions of our in-house adult leagues also opens on August 17th.

We're excited to introduce our inaugural Sip Sip Hooray event on August 26th. Now that schools are back in session, grab your partner or a team of four players and join us for a morning of doubles and a mimosa. Email Jenny or stop by the tennis shop to register.

Fall is right around the corner. We'll kick off the season with our Labor Day Tennis & Pickleball Event on Monday, September 7th. The fall session of our Men's & Women's Doubles League and Co-Ed Doubles Pickleball League begins the week of September 14th. Don't forget our weekly favorites! Join us every Tuesday for Burger Day, featuring a burger and fries for just \$9.95, and stop by for Happy Hour Tuesday through Friday to enjoy special pricing on house liquor and other featured beverages. It's the perfect way to unwind, catch up with friends, and enjoy everything the Club has to offer.

The month begins with Breakfast with Beauty on Sunday, August 9, where families can enjoy breakfast while the kids meet a special guest, take memorable photos, and experience a little morning magic. Celebrate National Prosecco Day on Thursday, August 13, with 50% off La Marca Splits all day. Whether you're toasting with friends over lunch or enjoying an evening cocktail, it's the perfect excuse to raise a glass.

On Friday, August 14, gather your friends for Tapas & Trivia, featuring delicious small plates and a fun evening of friendly competition. Then, on Wednesday, August 19, Chef Paul invites you to Thank You Bites, a special member appreciation event featuring complimentary chef-inspired bites as our way of saying thank you for your continued support.

Wrap up the week with Cheers to a New School Year on Friday, August 21. Whether you're celebrating the kids heading back to school or simply looking for a reason to unwind, enjoy Veuve Clicquot for \$45 per bottle or \$10 per glass and toast to the start of a new season.

Finally, join us on Wednesday, August 26, for our Food & Wine Tasting featuring Trefethen Winery. This special evening pairs exceptional wines with thoughtfully prepared dishes for a memorable dining experience. Whether you're a wine enthusiast or simply looking to enjoy a great evening with fellow members, it's an event you won't want to miss.

As summer comes to a close, we'd also like to recognize several of our team members who will be heading back to college. We're grateful for everything they've contributed this season and wish them the very best in the upcoming school year. We look forward to welcoming them back whenever they're home on break.

Thank you for being part of The Club At Sonterra. We appreciate your continued membership and look forward to seeing you around the Club throughout August!

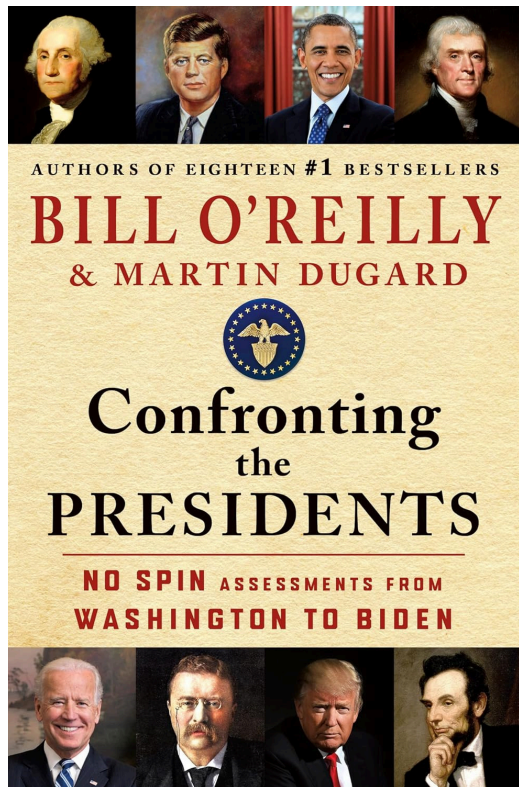

Best regards,
Director of Food & Beverage
