

**Nominee: John Lopez**

**Position: The Club at Sonterra's Board of Advisors**

My name is John Lopez, and I have been a member of The Club at Sonterra since 2012. My wife, Erica, and I have been married for 17 years, and we have three children—Hayden, Reese, and Hudson. We have lived in the Vistas of Sonterra since 2005. As active members of Holy Spirit Catholic Church, we value community and connection, and Sonterra has played a meaningful role in helping us build that community. Over the years, our family has enjoyed golf, tennis, and pickleball, and our kids have participated in many Club programs, including summer camps, golf lessons, and the Kids Club when they were younger. I also launched The Club's first couple of pumpkin carving events, which quickly became a favorite family tradition. From dinner gatherings and Sunday brunches to social events and early morning workouts, Sonterra has truly been a place where our family gathers and grows. I have also often utilized the Club's various facilities to host multiple business functions throughout the year.

Professionally, I have been in real estate for more than 25 years, with a primary focus in mortgage. I previously owned my own mortgage company, then led another successful local mortgage firm, and now own and operate High Point Mortgage Corp. In 2024, I expanded into the title business with the purchase of Texas Title Assurance, LLC, to provide a more complete real estate experience. I built my business around improving the overall experience for the people I serve, and I'd like to bring that same member-focused approach to Sonterra's future.

I'm not afraid of a challenge and approach obstacles with a strategic mindset. I enjoy bringing people together to find thoughtful, practical solutions. After more than a decade as a member, I understand both the strengths and opportunities within our community, and I'm ready to contribute in a meaningful way.

I'm running for the Board because I care deeply about the future of our Club and want to help strengthen our community. After many years as a member, I feel invested in Sonterra's direction and want to contribute in a positive, practical way. My goal is to support decisions and initiatives that help the Club continue to grow, improve, and remain a place members are proud to call home.

If elected, I'd like to focus on enhancing member engagement and elevating the overall member experience. I hope to work closely with the membership team to welcome new families and support programs that strengthen community involvement. My priority is to help advance improvements that keep Sonterra thriving while preserving the values and traditions that make our Club such a special place.

I bring more than 25 years of real estate and mortgage experience, along with the perspective of a long-term member who understands the evolution of the Club. I'm strategic, approachable, and enjoy bringing people together to solve problems. Having seen both the Club's successes and challenges, I'm committed to helping make thoughtful decisions that support its long-term health and the enjoyment of all members.
