Summer in Full Swing

Nathan Gillespy | General Manager

Dear Members,

What a summer it has been so far!

As we head into one of the most exciting weeks of the year, I wanted to take a moment to share a few updates and simply say thank you for making The Club At Sonterra such a special place to spend the summer.

The addition of Break Point Bar & Grill has made an incredible impact on the Tennis and Pool experience. It has been wonderful to see families, friends, and members gathering together, enjoying great food, and making lasting summer memories. Thank you for embracing this exciting addition to the club!

Our Sonterra Stingrays are also wrapping up another outstanding swim season. On June 30th, 18 of our swimmers will represent Sonterra at the All-Stars Swim Meet! Congratulations to all of our swimmers on a fantastic season, and a very special thank you to Head Coach Mabel Fowler and her entire coaching staff for the countless hours, dedication, and enthusiasm they have poured into our young athletes. We are incredibly proud of each and every Stingray!

Construction continues to move forward throughout the Club. Renovations in the Main Clubhouse are well underway, with the Tennis and Fitness locker rooms following closely behind. We appreciate your patience during these improvements. To help accommodate our members during construction, the Men's and Women's locker rooms in the 19th Hole will be open on Mondays throughout the renovation period.

Out on the golf course, our South Course collar replacement project continues to make tremendous progress. All 18 holes have now been prepared, and as we closed out June, new TifTuf Bermuda sod had been installed through Hole #16. Holes #17 and #18 will be completed this week, after which our golf course maintenance team will begin the important process of watering, top dressing, and carefully nurturing the new turf to ensure it establishes strong roots before reopening for play. We know the finished product will be well worth the wait.

Earlier this month, we also introduced our new dining menu along with our new china, and we have been thrilled by the positive feedback we've received. Thank you for sharing your kind words with our culinary and service teams—they take great pride in creating exceptional

dining experiences for our members.

Finally, we are excited to celebrate Independence Day with all of our Sonterra families, friends, and guests. This year's celebration is especially meaningful as we commemorate 250 years of our great nation. We look forward to an evening filled with great food, family fun, patriotic spirit, and memories that will last a lifetime. We hope you'll join us as we celebrate the freedoms we cherish and the community we are so fortunate to call home.

There truly has never been a more exciting time to be a part of Sonterra. Every project, every event, and every improvement is made with one goal in mind—to continue making this the premier club experience for you and your family.

On behalf of our entire staff, thank you for your continued support and for choosing to make Sonterra your home away from home. We are grateful for your membership and look forward to seeing you around the Club all summer long.

Wishing you and your family a safe, happy, and patriotic Independence Day!

Warm regards,
Nathan Gillespy

JULY & AUGUST FITNESS & AQUATICS UPDATE

A few reminders from the fitness center

1) Please have items out of lockers by July 3rd so we can begin our renovations of the locker rooms starting July 6th.

2) Only closed-toe shoes are to be worn on the fitness floor.

3) All children under 16 must be accompanied by a parent or guardian.

Please help us maintain a fun exercise environment by following our gym rules.

A note from
Fitness Director
Chadwick Washington:

Summer schedules can be unpredictable with vacations, family activities, and social events. Personal training helps keep fitness a priority by providing structure and flexibility.

Whether you're looking to lose weight, build strength, improve athletic performance, increase energy, or simply establish a consistent exercise routine, working with a personal trainer can help you get there faster and more effectively. Stop by and get a free consultation to see how we can help you reach your goals.

Serving Up Summer

Summer has arrived in full swing at The Club At Sonterra, bringing energy and plenty of action to the courts! June marked the beginning of the Sonterra in-house tennis and pickleball summer leagues, and our junior tennis camps are already rolling along with young players eager to strengthen their games. We will have three tennis camp sessions in July; call the tennis shop soon to secure your spot today.

June also brought a meaningful contribution to our club community. Through his Hit for the Heart charity event, Chuck Bowman and his team of supporters generously donated a new Zoll AED machine to the club. Their support enhances the safety of our members and guests, and we truly appreciate their generosity!

Our pickleball community also had a proud moment as Team Sonterra represented the club in the inaugural Pickleball Private Club League, showcasing both skill and sportsmanship all across San Antonio.

Looking ahead, July promises a festive start with our annual 4th of July Firework Display and a morning of Powerball tennis and pickleball events. Kick off your 4th of July with us with Pickleball Powerball at 8:30 AM or Tennis Powerball at 9:00 AM, where total games won become each player's lucky number. After play, we'll draw to see who wins the pot, awarded as shop credit. Registration is available through the pro shop or by emailing Jenny.

As summer continues, excitement builds for the Club Mixed Doubles Championships, taking place August 1st and 2nd. With combined divisions of 6.0, 7.0, 8.0, and 9.0+, teams are encouraged to register before the July 26th deadline. This year's champions will also earn one of our coveted reserved parking spots, making the competition even more enticing.

DINING IN JULY

Note From Head Chef, Paul Goll

Elevating the Dining Experience

The rollout of the new menus has been met with a largely positive response from members, marking an exciting new chapter for the dining experience. From refreshed flavors to creative presentation, all-new china and the updated offerings have brought a sense of variety and innovation that many members have embraced. Feedback has highlighted the elevated quality, thoughtful ingredients, and the culinary team's commitment to keeping the menu both dynamic and approachable.

Members have especially appreciated the balance between familiar favorites and new, adventurous dishes. The introduction of seasonal items and rotating features has given diners something to look forward to, encouraging them to explore something different with each visit. This approach has not only enhanced the overall experience but also created a sense of anticipation and engagement within the community.

That said, with any change comes a bit of nostalgia. Some members have expressed that they miss certain classic dishes that were longtime staples on the previous menus. These beloved items hold a special place for many, and their absence has certainly been noticed. The good news is that these favorites have not been forgotten. Plans are already in place to reintroduce some of these classics as featured specials, allowing members to enjoy those familiar tastes while still experiencing the benefits of the refreshed menu. This flexible strategy ensures that tradition and innovation can coexist.

One standout success from the new programming has been Mongolian Night, which quickly emerged as a favorite among members. The interactive and customizable nature of the experience, combined with bold flavors and fresh ingredients, created an energetic and memorable evening. The overwhelmingly positive response has solidified its place as a recurring highlight, and it will be brought back into the rotation next year.

Overall, the menu rollout represents a thoughtful evolution that reflects both member preferences and culinary creativity. By listening to feedback and remaining adaptable, the team is well-positioned to continue delivering exceptional dining experiences. With a blend of new ideas and cherished traditions, the future of the menu looks bright and full of exciting possibilities.

As always we look forward to seeing you here at the club and truly appreciate all the feedback that helps us elevate and enhance the club culinary program.

Best regards,
Head Chef Paul Goll
