Welcome to Summer Sonterra

Nathan Gillespy | General Manager

Dear Members,

Summer has officially arrived, and on behalf of our entire team, I would like to welcome you and your families back to the Club for what promises to be a wonderful season filled with fun, friendship, and memorable experiences.

One of the most exciting signs of summer is the opening of the pool and the return of our Sonterra Stingrays Swim Team. We are thrilled to see so many young swimmers back in the water and representing our Club. Our first home swim meet is scheduled for Saturday, June 6th, and we encourage everyone to stop by if you have the opportunity. There is nothing better than cheering on our Stingrays as they compete and showcase their hard work and team spirit.

As we begin the summer season, we also have several exciting improvement projects underway that will continue enhancing the Club experience for years to come.

Beginning June 8th, we will start the South Course Collar Replacement Project. This work will require temporary adjustments to South Course availability. While there will be some disruption, our team has worked diligently to coordinate materials, vendors, and scheduling to complete the project as efficiently as possible. The Golf Shop will continue providing updates regarding course availability, tee times, project progress, and anticipated reopening dates throughout the process.

In addition, on June 23rd, we will begin renovations to several key areas of the Club, including the Main Clubhouse Ballroom, hallway, back restrooms, and the Tennis and Fitness locker rooms. We understand these projects may create some temporary inconveniences, but we are confident the improvements will greatly enhance the member experience and provide beautiful, updated spaces for everyone to enjoy.

As we welcome more families and guests throughout the summer, I would also like to remind everyone of a few important safety policies that help ensure a safe and enjoyable environment for all members:

- Children under the age of 16 must be accompanied by an adult while using Club facilities, particularly the pool area. Children under 16 will not be permitted to use the pool without adult supervision.

Welcome to Summer Sonterra

Nathan Gillespy | General Manager

- Locker rooms are intended to provide privacy and comfort for all members. Young children should only enter locker rooms when accompanied by an adult.
- For the safety of our members, guests, and staff, children who do not possess a valid driver's license may not operate Club golf carts or personal golf carts on Club property. Any underage individual found operating a cart will be asked to contact their parents for immediate pickup of both the child and the cart.

These policies are in place solely to protect the safety and enjoyment of everyone who calls Sonterra home.

Finally, mark your calendars now for our Independence Day Celebration on July 4th. It is always one of the highlights of the year, bringing together families, friends, and neighbors for a day of fun and fellowship. The evening will conclude with our spectacular fireworks show beginning at approximately 9:15 PM.

Thank you for being part of the Sonterra family. We look forward to seeing all of you throughout the summer and creating another season filled with great memories.
Have a wonderful summer, and we'll see you around the Club!

Warm regards,
Nathan Gillespy
General Manager

June on the Golf Course

Summer is officially here, and we're excited for another great month of golf, fun, and competition around the club. As temperatures rise, so does the excitement with our Club Championships taking place at the end of the month. We look forward to seeing some great golf and crowning this year's champions.

We're also excited to begin the South Course greens collar renovation project, an important step in continuing to improve course conditions and long-term playability for our membership. We appreciate everyone's patience during this process and can't wait for you to see the finished product.

Lastly, with the recent rainfall we've experienced, Cart Path Only restrictions have been necessary at times to help protect turf conditions and prevent long-term damage to the golf course. We appreciate everyone's cooperation, as these efforts go a long way in maintaining the quality of our courses throughout the busy summer season.

A Full Summer Ahead on the Courts

Summer is officially here, and we're looking forward to a great season on the courts. June marks the start of our introductory Open Play Pickleball sessions, offered Mondays and Saturdays at 9 AM throughout the month. Open Play is a great way to get in some competitive games with players in your DUPR range, meet new people, and enjoy a relaxed, welcoming environment. It's a perfect option for anyone looking to get more court time or ease into organized play.

Our in-house leagues return the week of June 8th, including men's doubles, women's doubles, and co-ed doubles pickleball leagues. These leagues offer consistent weekly play and a great opportunity to build your game throughout the summer. We encourage both returning players and new participants to join us. Our Summer Junior Tennis Camps also begin the week of June 8th. We are offering seven weeks of camp for ages 5 and up, led by Coaches Sergei and Summer. Campers will work on fundamentals, develop their skills, and stay active through a mix of drills, games, and match play. It's a fun way for young players to spend their summer!

Don't forget to save the date for our 4th of July Powerball event. Tennis will begin at 9 AM, and Pickleball will begin at 8:30 AM. This is always a popular event, and we look forward to another great morning of play and holiday celebration! We appreciate your support and involvement in our tennis and pickleball programs and look forward to sharing a full, active summer with you on the courts!

Dining at Sonterra

If you haven't visited Break Point Bar yet, now is the perfect time to experience one of the Club's newest and most popular gathering spots. Whether you're stopping by for a casual drink, meeting friends after a round, or enjoying an evening on the patio, Break Point Bar has quickly become a favorite destination among members. For those who have already discovered it, the appeal is easy to understand—a welcoming atmosphere, great company, and a space designed to bring members together.

Another standout addition to the club's dining lineup is Mongolian Grill Night. This interactive dining experience features fresh ingredients, bold flavors, and the opportunity to create a customized meal exactly to your liking. The unique format and energetic atmosphere have made it a popular gathering spot for members, families, and friends. We are excited to continue Mongolian Grill Night every Thursday beginning at 5 PM in the 19th Hole. Members can also enjoy 50% off all appetizers every Wednesday after 4 PM throughout the month of June.

Father's Day Brunch is coming up on Sunday, June 21, and we hope you'll join us for one of our favorite family traditions. Bring the family, enjoy a great meal, and celebrate Dad with us at the club. Seating times are available at 11 AM, 12 PM, and 1 PM. We look forward to celebrating with you.

Members can also look forward to a fresh new chapter for the 19th Hole. Coming soon, a new menu and updated dinnerware will enhance the dining experience, reflecting the Club's ongoing commitment to quality, presentation, and exceptional hospitality. These updates are designed to elevate every visit while maintaining the familiar atmosphere members have come to enjoy.

As a friendly reminder, we ask members to help us maintain the welcoming atmosphere of our dining spaces by following a few Clubhouse guidelines. Table games are not permitted in the 19th Hole or Sonterra Lounge, but members are welcome to enjoy them in the Patio and Garden Room. Additionally, proper club attire is required in all dining areas, including the 19th Hole, Sonterra Lounge, and Patio. Swim attire is not permitted in these spaces. We appreciate your cooperation in helping us create an enjoyable experience for all members and guests.

Best regards,
Antonio Pastrana

A group of interconnected stories about soldiers in the Vietnam War, focusing on both the physical items they carried and the emotional weight of fear, guilt, and memory. It blurs the line between truth and storytelling to show how people make sense of war.
