A Month to Celebrate, A Season Ahead

Nathan Gillespy | General Manager

Dear Sonterra Members,

As we reflect on the month of April, it is hard not to feel an overwhelming sense of appreciation for the energy, enthusiasm, and community spirit that continues to define our Club.

Despite a bit of uncooperative weather, our Breakfast with the Easter Bunny and Easter Egg Hunt brought smiles to so many families, and our Easter Brunch was truly a highlight—filled with laughter, great food, and the joy of seeing so many new families experiencing the Club for the first time. It has been wonderful watching our membership continue to grow and thrive.

Out on the course, conditions are improving daily, and both courses are coming into beautiful shape just in time for what promises to be a fantastic spring season. We also had an incredible response to Swim Team signups—it's exciting to see so many new Stingrays joining, setting the stage for a fun and competitive summer.

Of course, Fiesta Sonterra once again proved to be a standout event. Each year it seems to get better, and this year was no exception. Thank you to everyone who helped make it such a memorable celebration. Alongside that, our calendar remained full with a steady stream of social, golf, and tennis events that continue to bring members together day in and day out.

As we turn the page to May, there is even more to look forward to. Our Mother's Day Brunch will be a special opportunity to celebrate the incredible mothers in our lives. From wine tastings and dinner dances to Bingo nights and the debut of a new menu in the 19th Hole, there is truly something for everyone.

Swim season is right around the corner, and with the continued success of Break Point Bar & Grill, we expect it to be a central gathering place for families all summer long. We will wrap up the month with our Memorial Day celebration, featuring a pool party that promises fun for all ages.

Thank you for being such an important part of what makes this Club so special. We look forward to seeing you and your family around the Club in the coming weeks.

Warm regards,
Nathan Gillespy
General Manager

Note from Director of Golf, Zach Ramsey

Exciting times are ahead as we move into May and put the first quarter of the year behind us. With several of our new events now completed, we feel it was only a warm-up for what promises to be an outstanding remainder of the golf season here at Sonterra.

May will be one of our busiest and most exciting months of the year. We are proud to welcome the Texas Senior Women's Golf Association back to Sonterra for the second time in five years as 144 talented players compete in a Match Play Championship from May 3–7. It is always a privilege to showcase our club and golf courses while hosting such a prestigious event.

That excitement is followed by our Local Qualifier on May 11 for the 126th U.S. Open Championship at Shinnecock Hills Golf Club. We look forward to welcoming top players from around the region as they compete for the opportunity to advance on the road to one of golf's greatest championships.

To round out the month, we are thrilled to introduce the inaugural Men's Member-Guest Match Play Championship, The Falls, May 14–16. This exciting new event promises great competition, camaraderie, and a memorable experience for all involved.

We look forward to seeing everyone at the club this month and thank you for being part of what continues to make golf at Sonterra so special.

Spring on the Courts at Sonterra

April brought its fair share of showers, but that didn't slow down the action on our tennis and pickleball courts. The inaugural Private Club Pickleball League kicked off, and Team Sonterra continues to represent us with energy and enthusiasm. We also hosted the 2026 Club Doubles Championships, and it was a fun weekend of competition. Congratulations to all our champions.

Spring Is Here: Fresh Flavors and New Energy at the 19th Hole

Spring has officially arrived, bringing a renewed sense of energy, warmer days, and exciting updates to the food and beverage experience at the 19th Hole. As the season shifts and guests begin spending more time outdoors, this is the perfect moment to highlight what's new, what's coming, and how the kitchen and bar team are embracing the fresh momentum of spring.

The 19th Hole has long been a place to unwind after a round, enjoy great food, and connect with friends. This spring, that experience is getting even better. In the first weeks of May, a brand-new 19th Hole menu will officially roll out, featuring seasonal inspiration and carefully crafted updates designed to appeal to a wide range of tastes.

The upcoming menu focuses on bold flavors paired with lighter, spring-forward options while still delivering the comfort and satisfaction guests expect. Whether stopping in for a quick bite or settling in for a relaxed meal, the new offerings strike a balance between familiar favorites and exciting new additions. Fresh ingredients, thoughtful presentation, and creative twists bring the menu to life just in time for the season.

Complementing the food is a refreshed approach to beverages that fits perfectly with spring weather. Crisp beers, well-balanced cocktails, and easy-drinking options make it simple to sit back, relax, and enjoy the longer days. It's the ideal setting for conversations, celebrations, and post-round tradition.

Beyond food and drinks, the experience continues to focus on connection and behind-the-scenes storytelling. The popular Excerpts from the Kitchen video series returns this spring, offering a closer look at the creativity, teamwork, and passion that go into every dish. These short videos highlight the people behind the menu and give guests a glimpse into the kitchen culture that makes the 19th Hole experience unique.

To make the next feature even more engaging, we're looking for a volunteer for the upcoming Excerpts from the Kitchen video. This is a great opportunity for someone who wants to be part of the action, step into the spotlight, and participate in a fun, behind-the-scenes moment. Volunteers will interact with the kitchen team, take part in filming, and be featured in an upcoming episode.

Spring is all about fresh starts, and the 19th Hole is embracing the season with new flavors, refreshed menus, and opportunities for guests to get involved. Be sure to stop by in early May to try the new menu, enjoy the spring atmosphere, and watch for details on how to volunteer for the next Excerpts from the Kitchen episode. The season is just getting started, and there's plenty to look forward to.
