

Nominee: Jim Raden

Position: The Club at Sonterra's Board of Advisors

My wife Laura and I have been members of Sonterra since 2008. We participate in many of the golf and social activities of the club. We live in one of the Sonterra Communitities and have a vested interest in the continuing success of Sonterra.

I am a member of MGA and past board member of the association. I also am on the Sonterra Greens Committee. Several years ago, Laura and I started the Beautification Group to help the golf maintenance team. We were joined by friends to help make a difference in the golf courses' appearance. Laura and I are Sunday Couples Golf coordinators. Since retiring from a career in pharmaceutical distribution and logistics, I have joined the San Antonio Golf Association Rules Group and serve as the current president.

Laura is completing her final term on the BOA in 2025. Laura and I have always sent out notes after each BOA and Greens Committee meeting to the two golf groups I play in and SWGA members. I want to continue this communication and expand the email list to include as many members as possible. I also would work with our club director into developing some type of question-and-answer website or a site with information I have gathered from the different club department heads on what is going on in their different areas of responsibility.
