

Stallion Enrollment – 2026 Enrollment Year

Enrolling your stallion in ROPERS CLASSIC is the first step toward building lasting value for your program. By joining, you make all of your stallion's progeny eligible to participate in a nationwide sidepot roping incentive that pays out added money at major futurities, jackpots, and rodeos with no added entry fees.

With two enrollment tiers, promotional support, and payouts that highlight a stallion's contribution to the industry, ROPERS CLASSIC gives your program more exposure, more credibility, and more earning potential. Enroll once per year, and your stallion's foals can earn for a lifetime.
