

LITTLE BALLERS SOCCER

REGISTRATION NOW OPEN

GENERAL INFO

Little Ballers is CASA's fun and engaging introduction to soccer for our youngest players. Designed for children who are just beginning their soccer journey, the program focuses on developing coordination, confidence, basic motor skills, and a love for the game through imaginative play, creative activities, and age-appropriate soccer games. Players will become comfortable with the ball at their feet while building friendships, staying active, and learning in a positive, energetic, and encouraging environment. Our goal is to foster a lifelong love of soccer
