General information on ordering that is applicable to all players (deadlines, merchandise information, sizing, jersey numbers, etc.) is provided first. Then separate ordering instructions are provided for Field Players (Male or Female Players) first, then specific Goalkeeper ordering instructions in a later section. General Ordering Information

ORDERING DEADLINES - Capelli's warehouse is asking that all orders be placed by **June 10th** for delivery before the end of July (Season Starts 8/1).

ASSIGNED JERSEY NUMBERS - Jersey numbers have been assigned using one of the jersey numbers requested during the registration process. Assigned jersey numbers are preloaded into the Capelli ordering system. You will be able to see that assigned jersey number during ordering. If you are unsure of your assigned jersey number, then please email Val at com@pachbg.com. DO NOT TRADE JERSEY NUMBERS WITH ANOTHER PLAYER WITHOUT CONTACTING ME AS IT IMPACTS ROSTERING. Please note that If you order jerseys with the incorrect jersey number, you will be responsible for replacing the jerseys.

PLAYERS THAT ARE PART-TIME GOALIES – There are a handful of players in the club that have been identified as players that are part-time goalies and part-time field players. For those players, you will order the full field player kit and then if you chose, then you can go in and order one of the two goalie uniforms in the goalie ordering page (either blue or purple). If you are one of those players, you will be sent an email with directions on how to do that in a separate email. If you don't see that email and feel that you fall into that category, please email Val at com@pachbg.com

MLS Next Academy Division Players (also known as MLS Next 2) –

If your player is on one of the boys U13-U19 MLS Next New Tier teams, The league patch will be provided to you at the beginning of the season with instructions on how to apply them, if you choose to do so.

OPTIONAL PLAYER ITEMS AND SPIRIT WEAR ITEMS – The uniform ordering website does provide the opportunity for families to order additional items – backpacks, winter items, leg sleeves, fan shop, etc. There is a menu on the left that will navigate you to different optional areas of the ordering website.

CAPELLI SIZING - For those unsure of sizing, this year's kit will be a similar fit to our previous kits. In addition, Capelli Sport has provided PA Classics Harrisburg Youth with a virtual sizing guide for each of the items. That sizing guide is included on the ordering website and shown in the picture section of each item. Please note, when looking at the sizing chart for the shirts and shorts the measurements in the photo correspond to the measurements on the sizing table below. For instance, for the shorts, #1 is the flat measurement of the waist, #2 is the flat measurement of the hip, and #3 is the inseam.
