### Tailored to your requirements

For your ease at this difficult time, staff are always included in our menu options shown.

When providing catering services for you at home, we would arrive onsite before you depart and set up whilst you are at the service, ready for your return.

If you are holding the wake reception at a venue, we would arrive onsite at least 1 hour prior to your return to ensure we are set up and ready for your arrival.

We can provide a drop off service for you and provide the buffet on disposable platters or on china plates/platters, which we would collect the following day.

If you are looking for a location to hold the wake reception, we do have numerous venue suggestions so please do not hesitate to contact us.

Pricing includes linen tablecloths for buffet/drink tables, disposable napkins & crockery. Vintage crockery can be arranged if required.
