Funeral & Wake Catering

Our pricing is based on a minimum of 50 guests. For lower numbers, our prices may vary.

All prices are excluding VAT at the applicable rate.

Pricing includes staffing, crockery, cutlery, white tablecloths & disposable napkins.

Tailored to your requirements - For your ease at this difficult time, staff are always included in our menu options shown. When providing catering services for you at home, we would arrive onsite before you depart and set up whilst you are at the service, ready for your return.

If you are holding the wake reception at a venue, we would arrive onsite at least 1 hour prior to your return to ensure we are set up and ready for your arrival.

We can provide a drop off service for you and provide the buffet on disposable platters or on china plates/platters, which we would collect the following day.

If you are looking for a location to hold the wake reception, we do have numerous venue suggestions so please just ask.

We cover Suffolk, Essex, Norfolk & beyond. All pricing is exclusive of VAT and charged per person. No deposit required. Invoiced prior to services being provided.
