Format: Two-Man Teams; Match Play (One-Net Best Ball)

Points System : 19 Total Points Available Each Match

2 Points = Hole Won

1 Point = Hole Tied

0 Points = Hole Lost

** 1 Additional Point Awarded to Overall Winner of Match **

ALL MATCHES MUST HAND IN A SCORECARD TO THE GOLF SHOP EVERY WEEK. EACH TEAM MUST PROVIDE THEIR ONE-NET BEST BALL FOR SCORING PURPOSES BUT STILL MUST RECORD EACH PLAYER'S SCORES ON EVERY HOLE.

SUBS: If your league partner is unable to compete in a weekly match, you will simply have to take your own best-ball for scoring purposes. You may have an outside player join the shotgun for that week for fun, but that player's score will not count toward your team's point total. If you ever have to play solo or bring a substitute (or if neither you nor your teammate can play), contact us ahead of time so scorecards may be adjusted. Any team that does not show will score a 0 and the opposing team will play against par (plus additional point for the match).

All points are tallied up following the final regulation matches (Tuesday, October 14) to determine the eight teams (top two teams per flight) that will make playoff contention for a chance to advance to the league championship. League playoff matches shall take place within the following two week time frame (October 15-27) to narrow it down to the final teams. Final championship and league scramble are scheduled for Tuesday, October 28th immediately followed by session dinner and awards.
