Maritime Cover Group

One vision, four specialisations.
Maritime Cover Group brings together FENDERTEC, TECNOYACHT, TECNOTEAK and CARBON DIVISION: yacht protection, technical installations, synthetic teak and carbon fibre craftsmanship.
Four identities, one signature: Maritime Cover Group.
Complementary expertise comes together to create bespoke solutions, combining functionality, precision and aesthetics.

THE STRENGTH OF A GROUP. THE CARE OF DEDICATED SPECIALISTS.

Maritime Cover Group combines materials, experience and craftsmanship to bring every yachting project to life.

Custom Boarding Step

Custom Boarding Step: where the onboard welcome takes shape. Bespoke design and craftsmanship bring together carbon fibre, Fendertec and teak in an exclusive feature, conceived to make the transition from tender to yacht the first expression of hospitality.

Design by Lady Hide

Custom Vertical Fender

Custom Vertical Fenders: protection shaped around your yacht. Bespoke design and precision craftsmanship come together in Fendertec to protect the yacht's surfaces while preserving the integrity of its lines.

Design by Lady Hide

FENDERTEC

Tecnoyacht Division

Tecnoyacht combines technical expertise with precision craftsmanship in yacht metalwork, installation and sealing services, seamlessly integrating onboard equipment, fittings and components with meticulous attention to detail.

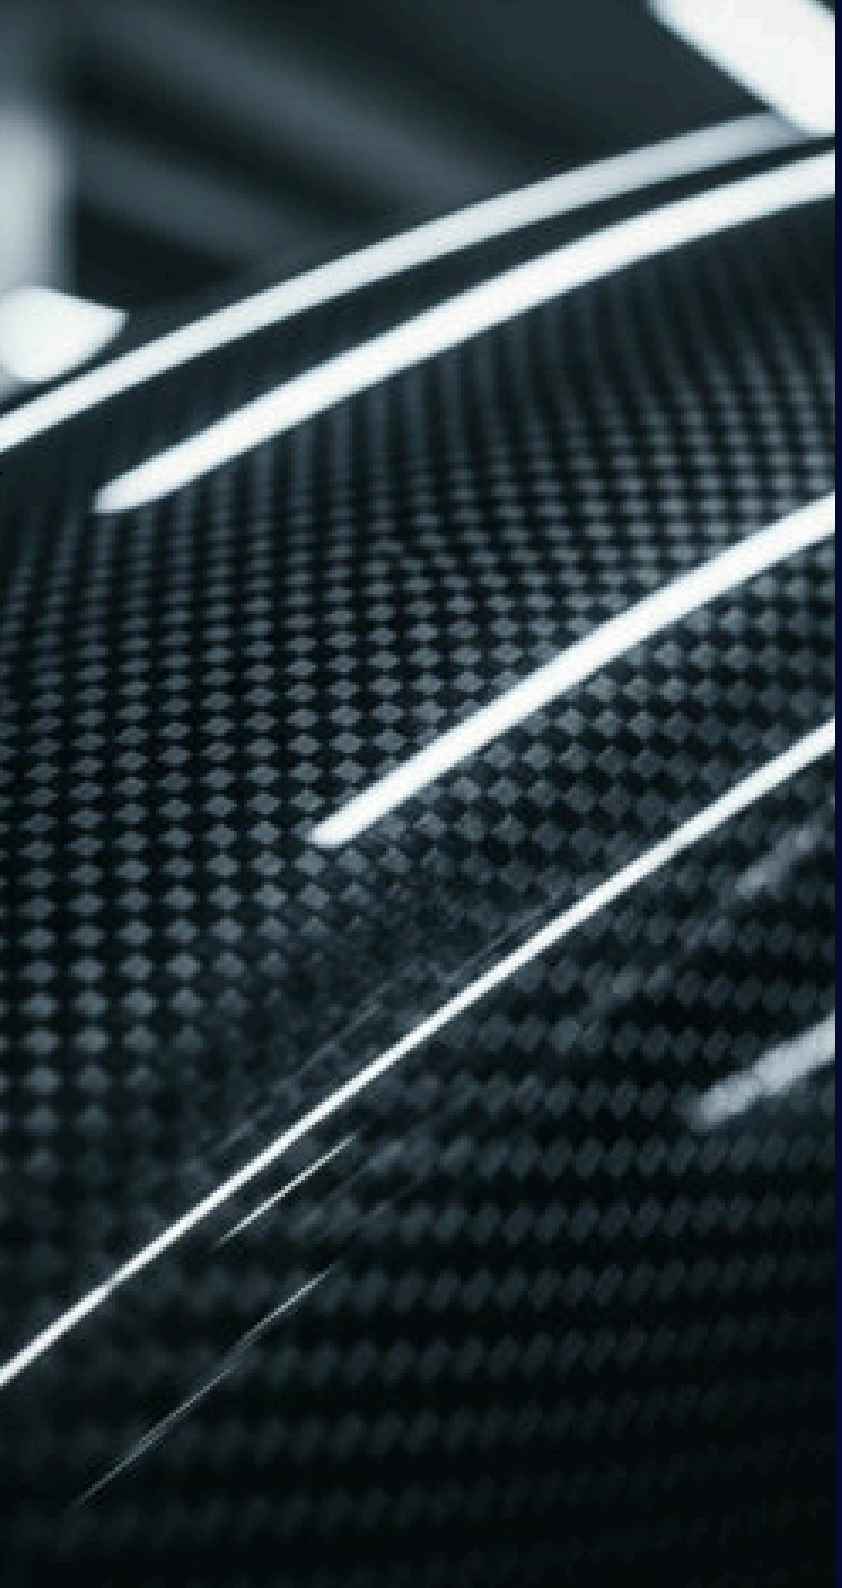

TECNOTEAK DIVISION

Bespoke synthetic teak installation for yachts, combining precision craftsmanship, elegance and functionality to enhance every surface on board.

CARBON DIVISION

Carbon fibre takes shape in bespoke technical yacht accessories, where lightness, precision and exclusive design embody a new vision of onboard luxury.
