Itemized Selections

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF.....\$ 1,582

Our fee for the services of funeral director and staff includes, but is not limited to, staff to respond to initial request for service arrangement conference consultation with the family or responsible party, arrangement of funeral, preparation, certification and filing of necessary documentation, authorizations and permits, recording vital statistics, preparation and placement of obituary notices, coordination with those providing other portions of services, e.g. cemetery, crematory, shipping or receiving agents and others. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administration costs and equipment and inventory expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. *(This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving of remains.)*

EMBALMING.....\$ 795

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. This firm assumes no liability whatsoever for the condition or appearance of decedent not embalmed. In such cases, we reserve the right to regulate or restrict viewing as well as time and manner of ceremony.
