Coroner's fee – this is a fee charged by the coroner for issuing a certificate that allows cremation to take place. The fee is set by the Chief Coroner for Ontario.

Clergy honorarium & church fees – this is an amount paid to the clergy for their services. In some cases, the amount is set by the clergy, in others it is an amount to be determined by you.

Newspaper or radio notices – these are charges for death notices placed in newspapers or radio or other media outlets.

Municipal death registration fee – this is a fee charged by the local municipality to register the death. The fee is set by the municipality and may vary.

Cemetery Expenses – this is an amount paid to cemeteries for new purchases and the cost to open or close a grave.

Cremation Expenses – this is the amount paid to the crematory for the cremation process.

## Payment

Unless otherwise specified, payment is due within 10 days of signing the contract. Payment may be made by cash, cheque, debit, and most major credit cards. Payment plans are also available to meet most budgets. Financing charges apply to payment plans. Beyond the allotted time, interest will be charged at a rate of 2% which is equivalent to 24% per annum (APR).

If you are prepaying for services or supplies, pre-authorized chequing is also available.

## Financing (pre-arrangements)

Our payment plans give you the option of making payments over time. We offer a competitive financing program, administration fees and interest rates. We are proud to offer various payment, funding and financing options to our clients.

## Pre-paid Funding

For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today, and the money will be used to pay for the services and supplies when they are delivered at the time of death.

**Trust:** You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

**Insurance:** You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered, or the contract is cancelled.
