Special Instructions

HOW DOES THIS WORK?

Please print the first page of this form and include it with your film when shipping to us. Cut along the indicated line and attach to your package.

You have two options for completing the form: Fill it out digitally and then print it, or print the blank form and handwrite your information.

1 Fill Out Contact Information.

2 Select Services. Check our website for our price lists. We process 35mm, 120, C41 and B&W films. *Each roll comes with digital scans by default.

TIP!

If your disposable camera has 27 exposures, select '24 exposures'. If it has 39 exposures, select '36 exposures'.

3 Select Shipping Options. Expedited shipping will be calculated based on location. **If you select "Pick-up in-store", your negatives will be available for collection once your order is ready. Negatives not collected within 30 days will be discarded.

4 Add Special Instructions. If you require a non-film developing service (ie Video Transfer, Reprints, Print to Print, Slides, Scanning Negatives), indicate your request in this section.

SHIPPING COURIERS

Receiving Hours: Mon-Fri: 11am-7pm | Sat: 11am-6pm

Video Transfers

All video transfer services require a USB drive. Provide your own or purchase one from us!

Half Frame?

We offer two processing options: standard (two images on one frame), or individual scanning (additional fee).

Terms of Service

General: except where prohibited by law, your film, media, print, slide or negative which you have entrusted to us for processing, printing, or other handling constitutes an agreement by you that any damages or loss by our company, subsidiary, or agent, even though due to negligence or other fault of our company, subsidiary or agents, will only entitle you to replacement film. Except for such replacement, the acceptance of the film, media, print, slidem or negative is without warranty or liability, and recovery for any incidental or consequential damages is excluded. We are not liable for lost, damage, or delay of film/prints caused by technical issues, Canada Post or other mail carriers.

Digital E-transfer of Photos: Annex Photo reserves the right to dispose of digital data files after delivery to the client. The client shall be solely responsible for ensuring that it holds adequate back-up copies of all digital data. If any films sent to Annex Photo are not collected by the client within thirty (30) days of completion of Annex Photo's work in connection with said film, then Annex Photo may dispose of or destroy saidfilm.

Prints: Please note that the colour, density, and contrast of digital files may not accurately reproduce in print. Annex Photo cannot be held responsible for discrepancies of differences between images viewed on screen and prints produced from digital files.

WHAT CAN YOU SEND IN?

To determine your film type, check the label on the canister.
