DISNEYLAND RESORT TICKETS

Both a Theme Park reservation and valid ticket for the same park on the same date are required for park entry. It is the responsibility of the agent / clients to check park availability prior to booking the tickets (www.disneytraveltradeinfo/dlrcalendar). Once this is done and tickets have been secured and confirmation received, park reservations should be made immediately on the Disneyland App.

2 SIMPLE STEPS: PURCHASE DISNEY THEME PARK TICKETS

STEP 1:

SELECT THE NUMBER OF DAYS YOU WOULD LIKE TO VISIT DISNEYLAND RESORT

Tickets are available for 3, 4 or 5-day durations. The longer you play, the less you pay per day!

STEP 2:

SELECT THE START DATE OF YOUR TICKET.

Will it be one park per day or both parks on the same day? The Park Hopper option will allow you to explore *Disneyland Park* and *Disney California Adventure* on the same day.

Take your day to the next level with *Disney Genie+* service for even more flexibility and convenience (details of the *Disney Genie+* service on the following page)

Multi-day tickets must be used within 13 days after first use or by January 12, 2025, whichever occurs first, and each day of use constitutes one full day of use.

This service lets you use our **Lightning Lane entrance**—available at a variety of attractions and experiences throughout *Disneyland Park* and *Disney California Adventure Park*. Plus, create enchanting photos and videos with the augmented-reality effects of **Disney PhotoPass Lenses (NEW!)**, discover the parks in cool new ways through engaging **audio tales** and enjoy **unlimited Disney PhotoPass downloads** from the day.

DISNEY GENIE+ SERVICE ALLOWS YOU TO TAKE ADVANTAGE OF 4 GREAT FEATURES USING THE DISNEYLAND APP ON THE DAY OF YOUR PARK VISIT.

You can book arrival windows for our *Lightning Lane* entrances on select *Disneyland Resort* attractions and experiences. Upon theme park entry, make one selection at a time, throughout the entire day—from classics like *Haunted Mansion* to thrill rides like *Big Thunder Mountain Railroad* and newer favorites like *Millennium Falcon: Smugglers Run* (subject to limited availability). *Lightning Lane* selections can even be used across both theme parks—especially great for those who add this service to a *Park Hopper Ticket*.

- Simply make your selections (one at a time) using our new complimentary *Disney Genie* interface, which features 2 tabs you can toggle between—"Tip Board" and "My Day."
- Get notifications when it's time for your experience—right on your phone.
- Once it's your turn to ride, head over to the *Lightning Lane* entrance within your designated arrival window and scan your barcode to enter.

With your *Disney Genie+* purchase, you'll also be able to create enchanting photos and videos with the augmented-reality effects of **Disney PhotoPass Lenses (NEW!)**, discover the parks in cool new ways through engaging **audio tales** and enjoy **unlimited Disney PhotoPass downloads** from the day.

Disney Genie+ service is non-refundable, non-transferable, and revocable, and may not be redeemed for cash in whole or in part.

Disney Genie+ Lightning Lane attractions and experiences (collectively, "experiences") and arrival windows are limited, and subject to availability and change, downtime, delay or closure without notice or liability, and entrance to an experience is not guaranteed. Experiences may vary by date, are subject to change, and may not be available at all on the date of visit or at the time you make a selection. Availability of experiences can change throughout the day. Disney reserves the right to modify, reschedule, reassign or cancel any selection in the event of a change in operating hours, experience downtime or closure, or park closure. Attraction requirements and conditions, including height and accessibility requirements, must be met; Guests are responsible for reviewing these requirements prior to purchase.

A Disney account and eligible mobile device are needed to make experience selections and to redeem other features on the day of visit, in the English-language-only *Disneyland* app.

Valid admission and theme park reservation for the same park and same date are required for the day that the *Disney Genie+* selections are made and redeemed. The *Disney Genie+* entitlement is not valid for admission to any theme park.

Each experience selection allows one (1) Guest to enter the experience using the *Lightning Lane* entrance or other Disney designated entrance, once on the date of redemption during regular park hours and during the selected arrival window only. Guests may not enter before or after the arrival window, and the experience selection expires at the end of the arrival window.

Disney Genie+ service includes Disney PhotoPass downloads from the day, so you can download and share Disney PhotoPass photos with family and friends. Videos and photos captured during the day—including photos from select attractions, select dining locations and your Magic Shots—can be downloaded from your Disney account as many times as you want, for 45 days after capture. The Guest will even have access to a collection of Disney PhotoPass Lenses via a special AR (augmented reality) camera when using the *Disneyland* app on their mobile device. Except for select lenses that may be accessed only within designated locations at Disneyland Resort, access to the lenses begins when the guest enters a theme park and lasts until 5:59 AM on the 45th day after the last day of the guest's ticket entitlement. Disney PhotoPass Lenses and Disney PhotoPass service may be limited, and are subject to restrictions and the Disney PhotoPass Terms & Conditions and expiration policy. Online registration is required.

Price, terms, features and entitlements are subject to restrictions, and change or cancellation without notice.
