MESSAGE FROM THE PRODUCER

Rhoda Wilson

How AI is Changing the Filming Industry:

No doubt Artificial Intelligence (AI) is revolutionising the filming industry in numerous ways, transforming both the creative and technical aspects of filmmaking. Is it really all doom and gloom? We will be running a series of AI effects on pre-production, production to post-production.

EXCLUSIVE SNEAK PEEK

ELUULU

Elulu is a powerful tale of love, betrayal, and destiny. Labosipo, a woman with supernatural powers, flees with her son after her husband's murder over a crown dispute. In her new land, she uses her mystical gifts to secure victory in war, earning love and trust. But when her chaotic homeland calls, and a prophecy reveals her son as the true heir, she faces a choice: stay in safety or return to claim his destiny. A gripping story of mysticism, suspense, and the strength of a mother's love.
