General Price List

These prices are effective August 15, 2026, but are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. Payment is expected at the time of arrangements.

PROFESSIONAL SERVICES

BASIC SERVICES OF FUNERAL DIRECTOR & STAFF……..$1,825
Our basic service charge includes, but is not limited to, twenty-four hour availability of staff, arrangement conference with family or responsible party, preparation and filing of necessary certificates, permits and notices, planning and coordination of funeral and/or cemetery arrangements, and other services as required.
This fee for our basic services will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

EMBALMING……..$655
Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
Colorado law requires embalming or refrigeration if the remains are held longer than 24 hours after death. It is the policy of Hood Mortuary to require embalming for a public visitation, or when the remains will be held outside of refrigeration for any extended time.

Outer Burial Container Price List

These prices are effective August 15, 2026.
Grave vaults and prices are subject to change without notice. State or local law does not require the purchase of a container to surround the casket in the grave. However, many cemeteries require such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy this requirement.

Images of vaults are available at www.hoodmortuary.com/vaults
