6. Privacy and Mobile Information

SMS Privacy Commitment

Mobile information, including phone numbers and SMS opt-in consent data, will not be shared, sold, rented, or disclosed to third parties or affiliates for marketing or promotional purposes.

SMS opt-in data and consent are not shared with third parties or affiliates for their marketing or promotional purposes. Information may be provided to service providers solely as necessary to support and facilitate our messaging services, or when disclosure is required by law.

For additional information about how Compare Medicare UT handles personal information, please review the Compare Medicare UT Privacy Policy available on our website.

7. Supported Carriers and Delivery

SMS delivery is subject to the availability and operation of your wireless carrier and mobile network. Mobile carriers are not liable for delayed or undelivered messages.

8. Your Responsibilities

You are responsible for providing a valid mobile number that you are authorized to use. If your mobile number changes or is reassigned, you should update your information or opt out of messages associated with the prior number.

9. Changes to These Terms

Compare Medicare UT may update these SMS Terms & Conditions from time to time to reflect changes in our services, messaging practices, or applicable requirements. Updated terms may be posted on our website with a revised effective date.
