Suzuki shop

Mission

The SVN Suzuki shop (in Dutch: Suzuki-winkel) aims to make available Suzuki materials to anyone enjoying Suzuki in the Netherlands and around Europe.

Product range

Our Suzuki shop carries a very broad range of materials. You will find most anything Suzuki available anywhere in the world.

Member prices

We have member prices for members of the SVN (Dutch Suzuki Association) and its sister organisations throughout Europe. For international orders, our working assumption is that any individual customer is indeed a member of his or her national Suzuki organisation. (Prices for non-members shown in gray)

Ordering

You may order from us in two different ways:

- via e-mail: info@suzukiwinkel.nl
- via the info form on www.suzukiwinkel.nl

Delivery is by regular mail. We usually ship within 24h (we basically have everything in stock). Delivery times will of course vary depending on the country of destination.

An invoice will be included with your order. You may pay after receipt of your order.

- All prices are in euros and include Dutch VAT. They do not include shipping costs (we charge postage only). For non-EU destinations, no Dutch VAT applies - i.e. net prices are lower than shown in this catalog. For orders over €30, shipping within the Netherlands is free.
- For all international orders, terms of sale (Incoterms 2020) are DAP (Delivered At Place). For non-EU countries, this implies that the customer is responsible for any duties and taxes (VAT) upon import.
- The covers of books and CD's shown in this catalog may be different from what we ship to you (due to changes in cover design which do not affect the contents).
- Some articles in this catalog are listed as "sold out" because they are both out of stock and out of print. You may contact us to enquire how we might be able to help you anyway.
- The Suzuki shop reserves the right to change or correct prices at any time. This catalog replaces all previous versions and is valid until a new version supersedes it.
