

The Rancho Cordova Luncheon

The one, and only...!

Third Friday of Each Month
Rancho Cordova City Hall
Attendance: 120

The Rancho Cordova
Luncheon

MISSION

Each month, the Cordova Community Council and the Rancho Cordova Chamber of Commerce team up to host a luncheon featuring a community newsmaker. This alliance of leading Rancho Cordova organizations brings together Rancho Cordova's "three-legged stool" of citizens, business, and government in a setting that encourages teamwork and collaboration. Believe it or not, this luncheon has been meeting each month for 65 years, making a significant impact on our community.

We call it The Rancho Cordova Luncheon... the one and only! That's because it is the only monthly forum where all sectors of our community turn out in force. It's our primary civic networking event.

ATTENDANCE

The Rancho Cordova Luncheons attract approximately 120 people each third Friday, constituting the most significant and longest-running regular public event of its kind in Rancho Cordova. Speakers have included Members of Congress, State Legislators, and many others who make the news. The topics discussed range from current events to local issues, ensuring that if it's in the news, it's likely to be on the agenda at The Rancho Cordova Luncheon.

SPONSORS

Both the Cordova Community Council and the Rancho Cordova Chamber of Commerce are excited to offer sponsorship opportunities during these important monthly civic huddles. If you are interested in sponsoring the Rancho Cordova Luncheon, we would love to hear from you. Your support is integral to the success of this event.

Becoming a supporting partner of The Rancho Cordova Luncheon, attended by leaders of local civic organizations, business, and government officials, amounts to a helping hand to citizen engagement, good government, and a healthy city.
