

Become a Rancho Cordova Magic-Maker Sponsor

The Cordova Community Council often talks about making magic. We strive to create enchanting moments that help our residents fall in love with their City.

We believe in the magic of creating lasting memories. Whether it's helping a family build a special moment or seeing a group of people unite for their neighbors, these are the moments that make our community truly magical. We see the sparkle of joy in a child's eyes as they watch a parade or fireworks, and feel the enchantment in the air as our Community Christmas tree comes to life.

Throughout the year, we work hand in hand with local corporations, government agencies, and fellow non-profits, creating magic every step of the way. We fondly refer to these essential partners as our "Magic-Makers," and becoming one means you're part of a community that's all about fun and surprises.

This is your exclusive invitation to join the Magic-Maker Team during what is set to be a genuinely significant and magical milestone year for our community and our country. Your participation will make this year even more special.

Magic Maker sponsors make an annual commitment, placing them at the forefront of the special events that comprise our Calendar of Events. Magic-Maker commitments are rewarded with special benefits and sponsorship discounts because we know you will be there for us. Once we craft a plan that fits your goals, we work hard to ensure you are seated in the front row of our significant community events, with the heavy lifting already done.

Magic-Makers enjoy such benefits as:

- Prime locations at our events
- Tables, chairs, and tents provided, and ready to go when you arrive
- Exposure – lots of it! Magic-Maker logos are on signage, publicity... even our volunteers!
- Partnership: We know our events are not all you have to do. We partner to make outreach to the community easy, fun, and a good fit with your organization's resources and goals

Become a Rancho Cordova Magic Maker and, like us, fall in love with our community as we celebrate a remarkable milestone – the Semiquincentennial of our country. Your sponsorship will help us make this year truly magical. Be part of the MAGIC!
