Miscelatori Taps

TASCA propone una vasta selezione di miscelatori, a naturale completamento dei lavelli in acciaio inox 304, 316L e con trattamento PVD. I miscelatori TASCA sono disponibili con canna tonda, piatta, con o senza doccetta estraibile, per abbinarsi perfettamente ad ogni serie di lavelli TASCA.

TASCA offers a wide selection of taps, a natural complement to the AISI 304, AISI 316L and PVD coated stainless steel sinks. TASCA taps are available with round or flat spouts, with or without pull-out hand shower, to perfectly match each series of TASCA sinks.

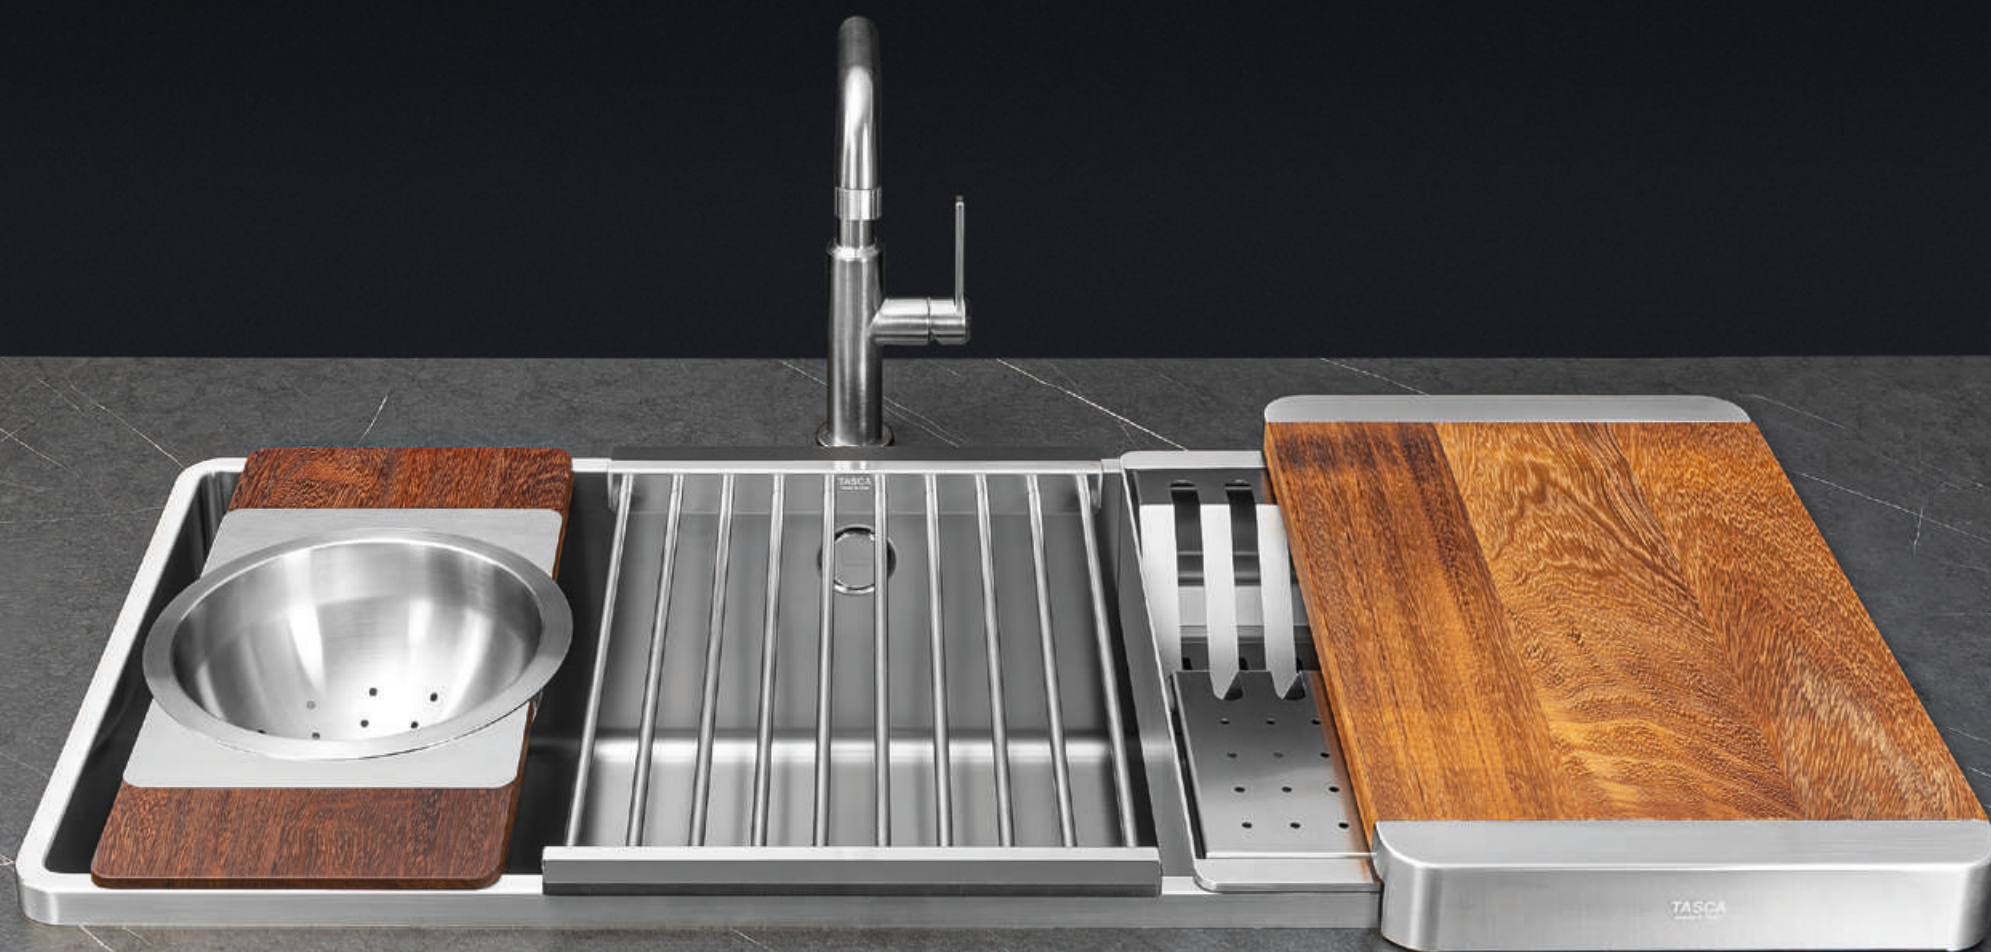

Accessori

Accessories

TASCA offre una vasta gamma di accessori complementari, come vaschette lava verdure, taglieri, dispenser di sapone e vari optional, che si coniugano perfettamente ai lavelli sia per funzionalità che per stile, e ne semplificano l'uso quotidiano.

TASCA offers a wide range of complementary accessories, such as rinse bowls, cutting boards, soap dispensers and various optional features, which combine perfectly with the sinks both in terms of functionality and style and simplify their daily use.
