

NORTH BRISTOL SPORTSMAN'S CLUB TRAP FIELD SEMINAR

WEDNESDAY, AUGUST 26 • 5:00 PM

CURIOUS ABOUT WHAT MAKES A TRAP FIELD WORK?

An evening of learning, discussion, hands-on demonstrations, and fellowship.

**Come see the machines, ask
questions, and learn how it all
works!**

CLUBHOUSE PRESENTATION

- Overview of the trap operation and equipment
- Discussion and Q&A
- Light appetizers will be available during the presentation

HANDS-ON TOUR OF THE TRAP HOUSES & FIELDS

- EZ Pull demonstration
- Canterbury demonstration
- Electric panel details and lighting controls
- How the trap machines work and are operated

SOCIAL HOUR

Stay afterward for a social hour and continue the conversation with fellow club members.

We need your help to keep our equipment running flawlessly!

We don't want to be that club
