SUMMER'S ALMOST OVER: BACK-TO-SCHOOL & END-OF-SEASON CAR CARE TIPS

Prepare Your Vehicle for Busy Schedules and Fall Weather with Auto Select

As summer winds down and the back-to-school season begins, your vehicle is about to take on new responsibilities – from daily commutes to school drop-offs, after-school activities, and weekend errands. Now's the perfect time to ensure your car is ready for the busy months ahead. At Auto Select, we're here to help with these smart maintenance tips to keep your family safe and your vehicle reliable.

1. Check Tires for Safety & Longevity

Whether it's been road trips or just local summer drives, your tires have seen a lot this season. Check for signs of uneven wear, cracking, or low tread depth. Rotating your tires now will help extend their life and improve handling – essential for those busy school mornings.

2. Test Your Battery

Summer heat can drain your battery's strength, and colder weather is coming. If your battery is more than three years old or showing signs of weakness, now's the time to have it tested. A surprise dead battery on a hectic school day is never convenient.

3. Inspect Fluids & Look for Leaks

Between family road trips and hot weather, your car's fluids – coolant, brake fluid, transmission fluid, and washer fluid – may be low or aging. We'll check, top off, and inspect for leaks to make sure your car is running smoothly before fall arrives.

4. Ensure Brakes & Suspension are Road-Ready

Your brakes and suspension have been working hard all summer. If you notice squeaks, vibrations, or your vehicle pulling to one side, it's time for an inspection. These components are crucial for safe school-zone driving and busy intersections.

5. Check A/C & Cooling Systems

School carpools and soccer practice runs are much more pleasant with a properly working A/C. We'll inspect your cooling systems to make sure your car stays comfortable now and prevents overheating later.

6. Replace Wipers & Check Lighting

With unpredictable weather and shorter days on the horizon, visibility is key. Make sure your wipers are in good shape and all lights are functioning properly to keep your family safe on the road.

7. Don't Forget Your Oil Change

Regular oil changes keep your engine running efficiently and reliably – especially important with the stop-and-go nature of school traffic. If it's been a while, now's the time.

At Auto Select, we make seasonal maintenance easy.

Our experienced technicians offer honest recommendations, thorough inspections, and reliable service to keep your vehicle – and your family – safe. Stop by today or schedule your appointment online. Let's keep your vehicle running strong as you head into the back-to-school season!

Neenah - I was scheduled for new tires/shocks but a week before my appointment my alternator went out. Anthony & crew at Neenah Auto Select made room at the busy shop & got my vehicle in for all the repairs needed week early. *John S.*

Green Bay East - Jaramey and the team here are awesome. Go above and beyond, honor warranties with no hassle, and the work always holds up. I don't take my vehicle anywhere else after several bad experiences elsewhere. Highly recommend for all work. *Charles C.*

Green Bay West - "The Gold Standard of Auto Repair - Auto Select Delivers Excellence!" If you're searching for top-tier auto service in Green Bay, look no further than Auto Select on the West Side. Shawano - Always great service. Staff is professional and helpful. Have worked with Craig at the Appleton location and now Shawano. If someone can remember the make of car you drove over 10 years ago, you know they care. Lori W.

Weston - This is the only place I will take my vehicle. They are fair on price, and have the best customer service. The guys up front are patient and super helpful. Not to mention they will do a great job doing any repairs. I'm not one to write reviews but this place is so good I had to! Keep up the good work and thank you for the excellent service as always! Brock M.

Grilled Banana Splits

DIRECTIONS:

Cut a small piece off the curved side of 4 unpeeled bananas so they'll sit level, then make a deep slit down the center of each through the peel; place on separate sheets of foil. Open the slits and brush the inside of each banana with melted butter, then sprinkle with sugar and 1 ounce chopped semisweet chocolate; fold up the foil. Grill the packets over high heat until the chocolate melts, 6 to 8 minutes (don't worry if the peel turns brown). Open the peels and top the bananas with ice cream, whipped cream, sprinkles and a cherry.
