CELEBRATING 25 YEARS OF GIVING BACK TO OUR COMMUNITY

As we mark Auto Select's 25th anniversary, we're proud to celebrate something that has always been at the heart of our business: giving back. For a quarter of a century, our team has believed that auto repair goes far beyond fixing cars—it's about supporting the people who drive them and strengthening the communities we're fortunate to be part of.

From the beginning, we've understood that safe, reliable transportation is essential for everyday life. Families depend on their vehicles to get to work, school, medical appointments, and everywhere in between. That's why we've made it our mission not only to keep cars running at their best, but to ensure our customers feel confident and cared for each time they visit us.

But our commitment doesn't end at the shop doors. Throughout the past 25 years, we've partnered with local community support organizations across Wisconsin to help our neighbors when they need it most. Whether it's donating to area food pantries, supporting youth programs, helping veterans' groups, or lending a hand to charitable events, we've always believed that strong communities are built when everyone pitches in.

This milestone year is a reminder of what we value most: people. The trust our customers place in us makes everything we do possible. And in return, we're dedicated to giving back in ways that make a meaningful impact—one repair, one partnership, and one act of service at a time.

As we look ahead, our promise remains the same. Auto Select will continue to deliver expert automotive care while investing in the communities we call home. Because keeping people safe on the road is just the beginning; supporting the lives behind the wheel is what truly drives us.

Thank you for being part of our journey. Here's to the next 25 years of caring, connecting, and giving back.
