## CELEBRATING 25 YEARS OF AUTO SELECT:

*A Tradition of Service, Safety & Community Support*

This November, Auto Select proudly celebrates its 25<sup>th</sup> Anniversary – a milestone that reflects a quarter-century of dedication to customers, quality auto care, and the Wisconsin communities we all call home.

With 12 shops now operating, Auto Select has established itself as a regional leader in automotive repair, service and tires. In doing so, we've upheld a commitment to dependable workmanship and customer trust.

### A Customer-First Promise

At Auto Select, customer satisfaction is more than a slogan—it's built into every service offering: free vehicle health checks, clear communication about needed repairs, and a culture that values the long-term wellbeing of each driver's vehicle.

### Built on Trust and Quality Service

From the very beginning, Auto Select has operated on one simple promise – to treat every customer like family. Our ASE-certified technicians and experienced service advisors take pride in providing complete, transparent care for every vehicle that enters our shops.

Whether it's routine maintenance, advanced diagnostics, or major repairs, we believe our job isn't finished until our customers drive away confident in the safety and reliability of their vehicle. That's why we back our work with a 3-year / 36,000-mile nationwide warranty – one of the strongest in the industry.

### Supporting the Communities That Support Us

At Auto Select, being a local business means being part of something bigger. Over the years, we've supported school programs, local charities, food pantries, and neighborhood events throughout Wisconsin. We believe giving back is just as important as providing great auto care – it's part of who we are.

*Thank you for choosing Auto Select - and for being part of our 25-Year journey!*

To celebrate our 25th Anniversary, a portion of all sales during November will be donated to local food pantries in the communities we serve. It's our way of saying thank you for 25 years of trust, and helping ensure that families in our area have the support they need during the upcoming holiday season.

### Looking Ahead: The Next Chapter

As Auto Select marks its 25th year, we're filled with gratitude – for our loyal customers, our skilled and dedicated team, and the many communities that have welcomed Auto Select over the past 25 years. The leadership team is more focused than ever on expanding service offerings, maintaining high standards across all locations, and keeping the customer experience front and center. With six dedicated owners and a culture rooted in integrity, Auto Select is well-positioned to build on its strong foundation.

To clients and colleagues alike: thank you for trusting Auto Select through the years. Here's to the next 25—and many safe, well-maintained miles together.

We look forward to continuing our mission: providing professional, dependable automotive service that keeps Wisconsin drivers safe, satisfied, and on the road for many miles to come.

Client Satisfaction Rating **4.9** out of **5** Stars ★★★★★

*Here's what our clients are saying...*

**Appleton East** - Mike & his team at auto select were prompt and were able to help me with my car right away the next day after I had it towed to their shop. I would recommend auto select to anyone looking for a quick, affordable fix to their vehicle. McKenzie R.

**Appleton Express** - Great experience, really nice workers went above and beyond with their service. Nataly B.

**Appleton North** - Auto Select replaced the starter on my Mitsubishi Eclipse. The labor charge was very reasonable. Tony's team members were helpful and friendly. Mike

**Neenah** - Thanks so much for the top-notch service every time! Anthony, your dedication to getting me in, often on the same day, really makes a difference. The team's expertise and friendly approach turn what could be a stressful experience into a smooth process. I'm truly grateful for your hard work and commitment to keeping my vehicle running safely and efficiently. You'll always have my business! Bette M.

**Green Bay East** - Auto select has been my go to for over a decade. They are kind, transparent and honest. I remember one time my car wouldn't start and I never had to leave my house. They picked it up, fixed it, and brought it back. I have always recommended auto select and will continue to do so until the end of time. Angel K.

**Green Bay West** - Auto Select GBW is one of the best businesses I've ever dealt with—hands down. In my 46 years on Earth, they easily make my top 10 companies to do business with. They're knowledgeable, professional, and genuinely care about their customers. The service—both on the phone and in-person—is terrific. They keep you informed throughout the process so you can make smart financial and service decisions that fit your needs. Dr Preston C.

**Hortonville** - Very friendly and knowledgeable staff. They took my car in for an oil change after I stopped in, unscheduled. Told me if I left it there they could get it done by end of day. Gave me a ride to work. The tech pointed out a tire light (which I knew about) and a few other things. I received a call less than an hour later stating the car was done. The tech (John) had noticed a few more items during the short test drive back to the shop. Very observant. Great job from all there! Hortonville location Jason L.

**Stevens Point South** - I have been coming here for years, and I have never had issues with getting my car repaired. Doug, Chris, and James have been super helpful in explaining what is going on with my vehicle. Super friendly, and communication is exceptional. Recommend this shop 1000% Deb

**Stevens Point Express** - Excellent staff service and professionalism. That is why we stay with your company...I am your best advertisement. Thank you. Michelle W.

**Stevens Point East** - Auto Select is fantastic! Everyone there is so nice, and they always take the time to explain everything clearly. I really appreciate how they let me know all my options and never pressure me into anything. Their prices are reasonable, and they truly go above and beyond for their customers. One time I went in to get a stubborn, rusted trailer hitch removed, and they did it for free! It's great to have a shop I can trust and feel comfortable going to. Lee V.

**Shawano** - The service was absolutely amazing!! Stan went above and beyond to help me get the extended warranty company to cover the timing chain. I also am super thankful that you had a loaner vehicle for me to use. Everyone I talked to was so helpful and nice! I am extremely grateful for all you did for me and my family. Gold stars for your whole team!! Paula R.

**Weston** - Auto Select in Weston is the most honest and reliable shop I've found in over 25 years of owning vehicles..... Jason

## HUMOR

I just read a book titled "How to Survive Falling Down the Stairs" It's a step by step guide, published last fall!

This morning, I saw a lady talking to her cat... poor woman thought the cat could understand her.... When I got home, I told my dog about it, and we laughed

Last night, my wife asked for peace and quiet while she cooked So I took the battery out of the smoke detector.

What sounds like a sneeze and is made of leather? A shoe
