CLIENT SATISFACTION

4.9 OUT OF 5 STARS!

Appleton East - Great experience! They were able to get me in right away and had a quick turnaround. The staff was friendly, honest, and transparent throughout the process. Fair, honest pricing with no surprises. I highly recommend them and will definitely be back! Mona B.

Appleton North - They were great. Clear with expectations that it was a busy day but they would try to look at my issue they're same day. They let me know what it was and what my options were. Once the work was complete I was sent a link to make a payment online as I was at work so I could pick up my car after hours. Thank you! Keith S.

Green Bay West - I wanted to take a few minutes to publicly share that the staff at AutoSelect Green Bay West was amazing - polite, honest and doing their best to fix my car and its transmission as soon as possible. I was travelling in Wisconsin on my way to Canada. I recommend this garage 100%. You can be certain the job will be done right at a good price with staff members that do care. Thank you to both Tony and Tony. Stephen G.

Stevens Point South - I needed to get home for a work commitment and auto select not only fit me in without question and got the work done fast but offered me rides back-and-forth to my hotel to make it all easy. The people there are and gave me a great sense of security when I needed it. Also the work they did was phenomenal. They even offered me advice on where to wash all that mud off my truck! Thanks guys! Zach D.

Shawano - I took my vehicle to Auto Select because it had become unstable to drive. We were told it would be a week before we could be scheduled. I told them that in two days we were going to make a 1100 mile trip. They immediately took in my vehicle, diagnosed our problem, ordered parts, and had me repaired the next day. Their staff was extremely courteous, very professional, honest, and fair. In my opinion these folks are the best. Thank you for saving our plans. Auto Select, your business is awesome. Sound D.

Weston - I've never had a bad experience with Auto Select. They do what you ask them to do. Their team is knowledgeable and skilled. I would recommend them to anyone. Mitchell W.

END-OF-SUMMER VEHICLE MAINTENANCE & BACK-TO-SCHOOL CAR CARE

Start the School Year with Confidence

As summer winds down and school routines begin, your vehicle is about to work harder than ever. Between daily commutes, school drop-offs, sports practices, weekend road trips, and changing weather conditions, now is the perfect time to prepare your car for the busy months ahead.

A little preventative maintenance today can help prevent unexpected breakdowns, improve fuel economy, and keep your family safe on the road.

End-of-Summer Maintenance Checklist

✓ **Change Your Oil & Filter** - Summer heat and vacation miles can take a toll on engine oil. Fresh oil helps protect your engine and keeps it running efficiently.

✓ **Inspect Your Tires** - Check tread depth, tire pressure, and look for uneven wear. Properly inflated tires improve safety, fuel economy, and handling.

✓ **Check Wheel Alignment** - If your vehicle pulls to one side or your steering wheel isn't centered, an alignment can help extend tire life and improve driving comfort.

✓ **Inspect Brakes** - Stop-and-go summer driving wears brake pads. Have your braking system inspected before school traffic begins.

✓ **Test Your Battery** - Hot summer temperatures can shorten battery life. A quick battery test can identify weak batteries before cooler weather arrives.

✓ **Inspect the Cooling System** - Your radiator, coolant, hoses, and belts should all be inspected to ensure your engine stays at the proper operating temperature.

✓ **Replace Wiper Blades** - Summer sun can crack and dry out rubber blades. Fresh wipers help you see clearly during fall rainstorms.

Back-to-School Vehicle Safety Tips

As schedules get busier, reliability becomes even more important.

Before the School Year Begins:

✓ Make sure all lights are working properly.

✓ Keep tires properly inflated for better safety and fuel economy.

✓ Verify your heater and defroster are working before cooler mornings arrive.

✓ Check all vehicle fluids, including coolant, brake fluid, transmission fluid, and windshield washer fluid.

✓ Make sure your air conditioning is still performing well for warm fall afternoons.

✓ Keep an emergency kit in your vehicle with jumper cables, flashlight, bottled water, first aid supplies, and a phone charger.

✓ Schedule routine maintenance before your calendar gets too busy.

A Little Prevention Goes a Long Way

Routine maintenance is one of the easiest ways to avoid costly repairs and unexpected breakdowns. Whether you're commuting to work, taking the kids to school, or heading out for weekend activities, a well-maintained vehicle provides greater reliability, improved safety, and peace of mind.

At Auto Select, our experienced technicians perform comprehensive vehicle inspections and help identify small issues before they become major repairs. Let us help you keep your vehicle dependable all season long.

SCHOOL BUS SAFETY KNOW WHEN TO STOP

I asked my date to meet me at the gym but she never showed up... That's when I knew we weren't going to work out.

I ran into a lamp post yesterday, luckily, I only sustained light injuries

My wife apologized for the first time today! She said she was sorry she ever married me!

I tried to remarry my Ex Wife... But she figured out I was only after my money.

RECIPE OF THE MONTH...

Turkey Club Kebabs

FOR THE KEBABS:

- 2 pounds skinless, boneless turkey breast, cut into cubes
- 1 tablespoon vegetable oil, plus more for the grill
- 1 teaspoon grated lemon zest
- 1 teaspoon paprika
- Salt and pepper
- 12 slices bacon

FOR THE DRESSING:

- 1 cup mayonnaise
- 1/4 cup buttermilk
- 2 tablespoons lemon juice
- 2 tablespoons chopped fresh parsley
- French bread rolls, lettuce and grape tomatoes, for serving

DIRECTIONS:

Make the kebabs: Combine the turkey, vegetable oil, lemon zest, paprika and 1 teaspoon each salt and pepper in a large bowl; toss to coat. Preheat a grill to medium. Thread the turkey onto six 12-inch skewers. Wrap 2 bacon slices around each skewer, overlapping slightly, to cover the turkey. Brush the grill grates with vegetable oil. Grill the kebabs, turning often, until the turkey is cooked through and the bacon is crisp, about 25 minutes. Meanwhile, make the dressing: Combine the mayonnaise, buttermilk, lemon juice and parsley in a small bowl; season with salt and pepper. Serve the kebabs in rolls with lettuce and tomatoes; drizzle with the dressing.
