CLIENT SATISFACTION

4.9 OUT OF 5 STARS!

Appleton East - Very accommodating, friendly and great service. Strongly recommend Auto Select Appleton East for your automotive needs. Marisa Z.

Appleton North - I can't say enough about this place. From the moment I walked in the door I was impressed. The very friendly greeting, the cleanliness of the place, the overall experience was great. I will definitely keep going back and I will recommend this business to everyone I know. Great job to everyone at Auto Select on Northland Ave!! You really know how to run a business!!! Thanks again!! Missy G.

Green Bay East - I love auto select. I have taken all three of my vehicles there and they have done amazing work. And their prices are very reasonable to me. I will continue to bring my vehicles there. And the customer service is top notch. Very professional and knowledgeable. Kirk

Stevens Point Express - I love going to auto select Doug and Sue are always amazing, and if I could give a ten stars I would. Tara D.

Shawano - Excellent service! Very friendly and knowledgeable customer service associates! Mechanics are very fast and do expert work. Repairs are always done correctly and they keep you updated on everything. WW&AP

Weston - We've used Auto Select Weston for 15+ years & for a wide variety of repairs & services. Truly are the best you'll find in the greater Wausau area. All of Butch's staff operate with a high level of professionalism. Highly recommend giving them your business! Todd O.

STOP THAT MYSTERY LEAK BEFORE IT BECOMES A MAJOR REPAIR

Have you noticed spots on your driveway or a strange odor coming from your vehicle? Even a small leak can lead to expensive repairs if left unchecked. That's why leak detection is one of the most important services we offer at Auto Select.

Why Vehicle Leaks Matter

Modern vehicles rely on several vital fluids to operate safely and efficiently. A leak may seem minor at first, but losing even a small amount of fluid can affect performance and cause damage over time.

Common fluid leaks include:

- **Engine Oil** - Helps lubricate and protect your engine from wear.
- **Coolant/Antifreeze** - Keeps your engine from overheating and freezing.
- **Transmission Fluid** - Essential for smooth shifting and transmission life.
- **Brake Fluid** - Critical for safe braking performance.
- **Power Steering Fluid** - Helps maintain easy steering and vehicle control.
- **A/C Refrigerant** - Keeps your air conditioning system blowing cold air.

Finding the Source Isn't Always Easy

Leaks don't always drip directly below the problem area. Airflow while driving and vehicle components can cause fluids to travel before they become visible. That's why simply looking underneath the car doesn't always tell the full story.

At Auto Select, our technicians use proven diagnostic methods to pinpoint the exact source of the leak. Depending on the type of system, this may include:

- Visual inspections with specialized lighting
- Pressure testing cooling systems
- UV dye leak detection technology
- A/C system performance testing
- Inspection of seals, hoses, gaskets, and fittings

By identifying the root cause, we can recommend the right repair the first time.

Don't Ignore These Warning Signs

Schedule an inspection if you notice:

- ✓ Puddles or spots under your vehicle
- ✓ Sweet, burning, or chemical odors
- ✓ Low fluid warning lights
- ✓ Engine overheating
- ✓ Difficulty steering or shifting
- ✓ Air conditioning that isn't cooling properly
- ✓ Frequent need to top off fluids

Addressing leaks early often prevents more costly repairs down the road.

Summer Is the Perfect Time for Leak Detection

Hot weather places additional stress on your vehicle's cooling system, air conditioning system, hoses, and seals. Small leaks that went unnoticed during cooler months can become bigger problems during summer road trips and daily commuting.

Trust Auto Select to Keep You Moving

Our experienced technicians are trained to diagnose leaks accurately and explain repairs clearly. We believe in helping our customers make informed decisions and keeping their vehicles safe, reliable, and ready for the road.

If you've noticed a leak—or just want the confidence that everything is in good shape—schedule an inspection with Auto Select today. We'll help you find the problem before it finds you.

WHAT FLUID IS LEAKING FROM YOUR CAR?

A QUICK VISUAL GUIDE FOR DRIVERS

	ENGINE OIL Thick, slippery		Dark brown to black. Engine oil keeps your engine lubricated. ⚠ CHECK SOON
	TRANSMISSION FLUID Slick, slightly sweet smell		Bright red to dark red. Keeps transmission parts working properly. ⚠ CHECK SOON
	BRAKE FLUID Slippery, important for stopping		Clear to amber. Essential for your brake system. ⚠ CHECK SOON
	COOLANT (ANTIFREEZE) Sweet smell		Green, orange or pink. Helps regulate engine temperature. ⚠ CHECK SOON
	WINDSHIELD WASHER FLUID Usually not urgent		Blue in color. Cleans your windshield for better visibility. 🚫 NOT URGENT
	POWER STEERING FLUID Affects steering feel		Clear, red or brown. Helps you steer smoothly. ⚠ CHECK SOON
	WATER (A/C CONDENSATION) Normal!		Clear and odorless. Goes away quickly. No action needed! 🟢 NOT A PROBLEM

JULY
HOLIDAYS

Independence Day
July 4th

Celebrating the
250th Anniversary
of the signing of the
Declaration of Independence

Ever since I got a wheelchair,
my wife has been so rude to me....
She has been pushing me around and talking behind my back!

My wife said, "You really have no sense of direction do you...
and I said, "where the heck did that come from?"

What do you call a reluctant potato?
A Hesi-tater!

RECIPE OF THE MONTH...

Praline Crunch

Submitted by Mary Cramer

INGREDIENTS:

- 8 Cups Crispix cereal
2 Cups pecan halves, (I use salted)
½ Cup brown sugar, packed
½ Cup corn syrup
½ Cup butter
1 Tsp vanilla extract
½ Tsp baking soda

DIRECTIONS:

1. Preheat oven to 250°F.
2. In a large bowl, combine cereal and pecans.
3. In a large saucepan over medium high heat, combine brown sugar, corn syrup and butter. Bring to a boil, stirring occasionally. Remove from heat and stir in vanilla and baking soda (it will bubble up). Pour over cereal mixture, tossing to coat evenly.
4. Pour cereal mixture onto a large cookie sheet. Bake for 1 hour, stirring every 20 minutes.
5. Pour onto wax or parchment paper to cool. Break into pieces.

Submit your favorite recipe to marketing@autoselectonline.com, if we choose yours to publish next month, you'll win a free oil change!
