Patio 500®

Vinyl Laminated 100% Polyester
61" Wide • Nominal 17.5 Oz. Per Square Yard

For nearly half a century, fabricators have relied on this industry standard for beauty and value. Patio 500®'s matte finish provides an excellent avenue for most types of graphics making it an outstanding choice for awnings, canopies and more. With exceptional resistance to mildew and UV, it is ideal for sunny, high humidity areas.

- Made with wick and craze resistant polyester weft-inserted warp knit scrim
- Exceptional resistance to UV, water and mildew
- Superior dimensional stability, tensile and tear strength
- Heat sealable and accepts many types of graphics: heat transfer films, heat-sealed inset fabric, sewn-in inset fabric, silk screening, hand painting and appliqué
- Pressure sensitive adhesive vinyl graphics are not recommended
- Backed by a 5-year limited warranty (except #513, Clear)
- Flame resistant to standards of: California State Fire Marshal, F-121-02; NFPA-701-2004-TM2; ASTM-E-84, Class A; MVSS-302
- Put up on approximately 50 yard rolls

Patio 500® is not recommended for backlit applications. Patio 500® is also available in a limited selection of stripe patterns. Please contact your local John Boyle representative for sample selection. Patio 500® is manufactured exclusively in the USA by John Boyle & Company, Inc. and is a trademark of John Boyle & Company, Inc.
