

Durasol Custom-made Retractable Exterior Solar Screen Systems

Your local Durasol dealer will design and professionally install a retractable exterior solar screen system that will add function, style and efficiency to your home or business.

A problem-free solution to solar protection:

- **Reduce Heat Gain**

Effectively stop up to 70% of the sun's energy – greatly reducing your cooling costs.

- **Diminish Interior Fading**

Reduce damaging UV rays by up to 95% and protect your home's valuable furnishings.

- **Filtered Light with a View**

See outside more clearly and permit filtered light to enter the room without annoying glare.

- **Easy to Operate**

Durasol's solar screens can be motorized, including optional automated controls.

- **Fully Retractable**

Control just how much sun to let in - easily extend, retract and stop the unit at any desired position. Fully retract to enjoy evening or night views.

- **Commitment to Quality**

Customer satisfaction is our number one priority. We back our commitment to quality with a five year warranty. See for yourself why we have a 98% satisfied response from Durasol customers.

A Solar Screen System That's Just Right!

Whether you need to add privacy, decrease interior fading, or reduce cooling costs, Durasol offers great-looking custom-made shading systems that blend harmoniously with your decor and lifestyle.

DuraShade Classic-E

The DuraShade Classic-E is an ideal solution for adding privacy or stopping the elements from entering your patio. This vertical drop shading system is our most affordable and is available with a complete line of options.

DuraShade Select-E

The DuraShade Select-E is a self-storing system, which conceals the fabric when not in use. The DuraShade Select-E can blend harmoniously into the exterior of your home and can be mounted on most surfaces.

DuraShade Elite-E

The DuraShade Elite-E is the big brother to the DuraShade Select-E. The DuraShade Elite-E has the capacity to handle longer widths and greater drops, which makes it ideal for extremely tall glass areas.

Why Choose Durasol?
