 Garage  Shed  Shop  Solar  Other: \_\_\_\_\_

**This permit becomes null and void if work or authorized construction is not commenced within one year of issuance. This permit becomes null and void if work or authorized construction is suspended or abandoned for a period of 180 days after work commences. In either case, an extension must be applied for and \$40.00 reissuance fee paid to the city prior to resuming construction. No changes to the submitted plans and no additional work are permitted without prior written approval from the city.**

Separate permits are required for all electrical, plumbing, and mechanical work.

The following building codes are hereby adopted as the building codes of the city:

- 1) The International Building Code, 2018 Edition, as published by the International Code Council, Inc., with Amendments;
- 2) The International Residential Code (parts I, II, III and IX), with Idaho Amendments collectively named the Idaho Residential Code (2020 edition);
- 3) International Energy Conservation Code, with amendments collectively named the Idaho Energy Conservation Code (2020 edition);
- 4) International Existing Building Code, 2018 edition (including all Appendixes).

I hereby certify that I have read and examined the application and confirm that all statements, drawings, and depictions are true and accurate. All provisions of local, state, and federal laws governing this work will be complied with, whether specified herein or not. The granting of this permit does not give authorization to violate or cancel other local, state, or federal laws regulating construction or performance of construction. I further certify that the construction will conform to the dimensions and uses shown.

I hereby certify I have read, examined, and abided by the permitted zoning uses governing my project. I understand that I shall be guilty of a misdemeanor and shall be guilty of a separate offense for each and every day during which any violation is committed, continued, or permitted.

I hereby grant permission to the city and its' representatives to enter the subject property to conduct inspections relative to this application.
