WELCOME TO GILDINGS BARN

Celebrate love in its most natural setting.

Hidden away on the edge of the Surrey Hills, a designated Area of Outstanding Natural Beauty, Gildings Barns offers a timeless setting steeped in farming history. Surrounded by rolling fields and ancient woodland, the oak-framed barns flow seamlessly together, creating a rustic yet refined venue, which is both authentic and versatile. Some of the structures at Gildings date back over 300 years.

Others were lovingly hand-built in the late 20th century using time-honoured carpentry techniques and massive oak beams salvaged from trees felled on nearby Holmwood Common in the storms of 1987 and 1989.

What makes Gildings truly special is the atmosphere - a warmth that lingers from the moment you step through the gates. You will have exclusive use and the freedom to shape the barns to your vision, whether brimming with flowers and bunting, or kept simple and intimate.

Once you have booked, you will have the opportunity to come along as often as you like for planning and practice purposes. You will also be guaranteed at least one day before your wedding to set up. At Gildings, every decision begins with you, and because we limit the number of weddings we host, our focus is always on your day - ensuring it feels effortless, natural, and uniquely yours.

OUR STORY

Gildings Barns is more than a venue,
it's a place built with love.

Blending centuries of heritage with understated elegance, our barn wedding venue provides a truly unforgettable backdrop for your day. Weathered oak beams, open space, and natural light create a warm, character-filled setting for unforgettable weddings in the heart of the countryside.

We're Penny & Richard Graepel, and together we are the proud custodians of the beautiful Gildings Barns, having inherited the venue in 2013. We are committed to maintaining the barns with the same love and passion with which Penny's father, Peter Hall, built the main barn in the 1990s, and restored the other structures on site.

We aim to ensure we fulfill Peter's wish that the barns will be enjoyed by many future generations. When you marry at Gildings, you're not just hiring a building - you're becoming part of the story. We'll be with you every step of the way, making sure your day feels effortless, natural, and uniquely yours, so you can enjoy one of life's most meaningful moments.

YOUR CEREMONY

The heart of your day begins here, a setting for vows as unique as your story.

Gildings Barns is licensed for both indoor and outdoor registrar-led civil ceremonies, accommodating up to 110 guests for your ceremony and wedding breakfast and 130 guests in the evening.

Indoor

The Main Barn, with its oak beams and fairy lights, offers an atmospheric setting all year round.

Outdoor

The license covers the whole garden, giving you the freedom to choose your perfect backdrop. Many couples opt for the Granary, but you're not limited to it - the wider gardens, overlooking open farmland, provide a beautiful, flexible space for your vows.

We also welcome celebrant-led ceremonies and blessings, for couples who'd like a more personal touch. Alternatively, have your ceremony in a local church and use Gildings Barns for the reception and celebrations afterwards. Wherever you choose to say "I do", our team will ensure your day flows effortlessly.
