Incentives & Earnings Overview:

With the Affiliate Program, you'll earn a commission every time a client books through your affiliate link.

- **Commission Rate:** You will receive 5% of the total booking value on each successful booking made through your link.
- **Payouts:** Your affiliate commission will be paid bi-weekly.
- **Why It Matters:** This program allows you to keep earning even when you're fully booked and unable to take on a client yourself. Instead of turning clients away, you can refer them to us and our team and still benefit.

Think of it as bonus income: You help clients find another artist while adding extra earnings to your own pocket.

Pre-Written Scripts:

It's best practice to save 2–3 of these in your Notes app, so these messages will be ready to send instantly whenever you're unavailable!

1. Polite & Professional:

"Hi [Client Name], thank you so much for reaching out! Unfortunately, I'm fully booked for your date. The good news is that you can still book your glam with Makeup by Nida & Team through this link: [Insert Link]. You'll be in great hands with the team!"

2. Friendly & Reassuring:

"Hey [Client Name], I'm already booked that day, but don't worry — you won't miss out! Use this link [Insert Link] to get a quote with another amazing artist from Makeup by Nida & Team. You'll still be taken care of!"

3. Quick & Casual (for DMs/Texts):

"I'm booked that day, but here's a link for Makeup by Nida & Team so you can still get a quote: [Insert Link]. You'll be matched with another artist!"

4. Bridal-Specific:

"Hi [Client Name], I'm fully booked on your wedding date, but I'd love for you to still be taken care of. Please fill out a quote here: [Insert Link], and we'll match you with another amazing bridal artist."

5. Empowering & Client-Focused:

"Hi [Client Name], I can't personally take your booking on that day, but the Makeup by Nida & Team has several talented artists available. Here's a link to request a quote: [Insert Link]. This way you're guaranteed the same quality and experience with another artist."

Best Practices:

Share your link every time you're unavailable — Don't leave money on the table. Whenever you're fully booked, make it a habit to send your link right away.

Keep your link handy — Save it in your Notes app, WhatsApp saved messages, or set up a phone shortcut (e.g., typing "/affiliate" pastes your link instantly).

Use scripts to make it easy — Don't overthink what to say. Just copy one of the ready-made scripts from this Toolkit and send.

Act fast when responding to clients — Share your link as soon as you know you're unavailable. A quick response builds trust and keeps the client within our team.

Think of it as bonus income — You earn 5% commission for each booking through your link, even if you can't take the job. The more consistent you are, the more extra income you'll make.

Normalize the process — Clients won't see it as awkward; they'll appreciate you helping them find another trusted artist quickly.

Stay motivated — The most successful affiliates are the ones who share their link often. Treat it as part of your daily routine.

Frequently Asked Questions (FAQ):

1. How do I find my affiliate link?
 - a. Go to affiliate.makeupbynidateam.com and log in to your account. If you haven't signed up yet, you'll need to create your account first. Once logged in, with the Affiliate Program, you'll earn a commission every time a client books through your affiliate link.
2. How do I share my affiliate link with a client?

- a. Once you've logged in and copied your link, you can paste it directly into a text message, email, or DM to your client. To make it even easier, the *Affiliate Program Toolkit* includes ready-made scripts you can copy and use right away, so you don't have to worry about what to say.
3. What happens if my client books through my link?
 - a. When a client clicks your affiliate link, they'll be taken to our quotes page, where they can fill out a quote request just like any other client. From there, our team will match them with another available artist. Once their booking is confirmed, you'll automatically earn commission on that booking.
4. How much commission do I earn, and when do I get paid?
 - a. You earn **5% commission** on every booking made through your affiliate link. Commissions are paid out bi-weekly. It's a simple way to keep earning extra income, even when you're fully booked.
5. Is there a limit to how many times I can share my affiliate link?
 - a. No — there's no limit. You can share your affiliate link as often as you'd like whenever you're unavailable. The more you share it, the greater your chances of earning extra commission while still helping clients get served by our team. We encourage you to keep your link handy so sharing it becomes a natural part of your routine!
6. Can clients use the affiliate link for any service, or only certain ones?
 - a. Clients can use your affiliate link to request a quote for any of our services. Once they submit their quote, our team will match them with the right artist based on their needs and availability. This makes your link flexible and always useful, no matter what type of service your client is looking for.
7. What's the best way to explain the link to a client without making it awkward?
 - a. Keep it simple and reassuring. Let your client know you're fully booked but still want them to be taken care of, and that the link will connect them with another trusted artist on the team. The Affiliate Program Toolkit also includes ready-made scripts you can copy and use, so you don't have to worry about finding the right words.
8. How often should I be using my affiliate link?
 - a. You should use your affiliate link any time you're unavailable to take on a client. There's no such thing as "too often". The more consistently you share it, the more opportunities you have to earn commission while keeping clients within our team. Think of it as your go-to response whenever you can't book a client.
9. Is there any penalty if I don't use the affiliate program?

- a. No — there's no penalty if you don't use your affiliate link. But by skipping it, you may be leaving money on the table and missing an opportunity to support your clients. It's a win-win: your client gets served, and you still earn even when you're unavailable.
10. Can I earn commission on bookings outside my city/region?
- a. Yes — your affiliate link works across all regions we serve. That means if a client books through your link in another city, you'll still earn commission on their confirmed booking. It's a great way to keep supporting clients no matter where they are located.
