Parish Mission Statement

Saint Patrick and Saint Hedwig are two parishes with two historic churches -- the former founded by Irish immigrants in 1858, the latter founded by Polish immigrants in 1877. Both are located in the National West Washington Historic District of South Bend, Indiana.

Since July 1, 2001, in fidelity to Jesus Christ, they seek now to bring the gifts of these two traditions together as one in the Roman Catholic Rite -- to proclaim the Gospel, to celebrate Eucharist to strengthen our resolve, and to seek to live the Gospel message enriching our lives and the lives of others, in our families, neighborhoods, and workplaces in Michiana.

He made a whip
out of cords and
drove them all
out of the temple
area. "Take these
out of here, and
stop making my
Father's house
a marketplace."

From the Desk of Fr. Eric Zimmer....

Dear Parishioners,

This coming week I will meet with the parish finance councils and parish pastoral councils of each parish. Going forward, the parish councils will meet the first week of the month, with Tuesday assigned to St. Patrick and Wednesday assigned to St. Hedwig. The parish finance councils will meet in the first week of each quarter (January, April, July, and October), with the exception of meeting this coming week for the first quarter. If you have any concerns or questions for either group, please feel free to contact these members. Their names are below.

I want to let you know of a few updates to the church properties. As you enter the churches this weekend you will see that a number of trees have been taken down around both buildings. You may also have noticed that we have been working on getting the light timers set up correctly for the statues, the grotto at Saint Hedwig, and the façade of both churches. A recent inspection of the grounds found missing slate tiles on St. Patrick Church. We hope to be able to get these tiles replaced for the proper maintenance of the building and for the safety of those walking below. We have taken these measures to avoid longer-term problems and the threats to the structures.

I am also currently exploring landscaping possibilities to enhance the "curb appeal" of our campus with a professional design for each church. We have two beautiful houses of worship and I am confident that with new plantings they will be properly framed.

Please feel free to contact the office if you notice any needs for maintenance at either church.

In Christ,

Fr. Eric Zimmer
