

Healthy Active by Design Statement of Support

This Healthy Active by Design Statement of Support (**Statement**) records the undersigned organisation's (**Organisation**) support for the National Heart Foundation of Australia ABN 98 008 419 761 (**Heart Foundation**) Healthy Active by Design principles and its intention to apply those principles in its work where relevant.

1. Shared purpose

The Organisation supports planning, design and delivery outcomes that promote connected, walkable and people-first places, guided by the Healthy Active by Design principles.

2. Heart Foundation support

The Organisation acknowledges that the Heart Foundation may provide subject matter expertise to support access and use of the Healthy Active by Design resources.

3. Organisation support

The Organisation will seek to embed and apply the Healthy Active by Design principles in its operations, advocacy, policies and projects where relevant. This includes consideration of walkability for neighbourhood planning, mixed land use zoning, integrated active and public transport, access to fresh healthy food, places to connect with others, and access to green and blue spaces.

4. Use of names, logos and communications

The Organisation consents to the Heart Foundation acknowledging its commitment to Healthy Active by Design principles on the Heart Foundation's website and other channels, including by displaying the organisation's name, logo or branding supplied by the organisation. The Organisation must not use the Heart Foundation's name, logo, trademarks or branding, or make a public announcement about this collaboration, without prior written approval unless required by law.

Nothing in this Statement represents accreditation, certification or endorsement by the Heart Foundation of the Organisation, its activities, projects, policies, services or products.

5. Confidentiality

The Organisation must keep the Heart Foundation's confidential information confidential, use it only for this collaboration, disclose it only as required for the collaboration or by law, and return or securely destroy it on request.

6. Legal status

This Statement is an expression of intention and does not create any legal binding obligations.

The Heart Foundation does not sign this Statement; by issuing it, the Heart Foundation welcomes the Organisation's support for its purpose, but does not make any promise, assume any obligation or accept any enforceable liability.

7. Term and ending this Statement

This Statement commences when signed by the organisation and continues for three (3) years, unless ended earlier. The organisation or the Heart Foundation may end the arrangement on 7 days' written notice for any reason.
