## LIGHT A CANDLE 2025 TESTIMONIAL

it is better to Light A Candle than curse the darkness

# THE CALL

The Great Commission begins with the Great Commandment. Only when our hearts are fully surrendered in love for God can we carry His love to the ends of the earth. From that place of gratitude and humility, we share the Good News and love others as He loves us.

**MATTHEW 28:19-20 | MATTHEW 22:37-39**

## THANK YOU

In 2025 we saw you step into the work of the Kingdom in profound ways.

We saw you give, send, and go to the farthest corners of the earth to see the good news of Jesus proclaimed. Your desire to see the light of Jesus penetrate the darkness is evident in your faithfulness, your cheerful giving, and in your willingness to go wherever He calls you.

As the year comes to a close, we want to express our thankfulness for you. We are honored to partner with passionate followers of Jesus who share our heart to see every tribe and tongue declare Christ as Lord!

We pray for many more years of partnership with you. And we pray that you and your family are abundantly blessed in 2026!

# THE VISION FOR 2026

2025 has been a year of favor — but God is calling us to even greater audacity. The Gospel has gone to the poor. The brokenhearted have been lifted. Captives are walking free. Darkness is being exposed by the light of Jesus.

And yet, there are still millions who have never heard. Families still hungry. Refugees still suffering. Nations still waiting for hope.

The question is simple: will you rise?  
Will you step into the hard, the impossible, the places most will never go?

In 2026, we are not playing small.  
We are going further.  
Giving bigger.  
Praying louder.  
Reaching deeper.

We will sponsor children, send teams to the frontlines, and invest in projects that shift eternity. This is your invitation to join God's movement on the earth.

Jesus sees your sacrifice. He sees your obedience. He sees the fire in your heart. And He promises to reward it — beyond what you can imagine.

This is not a year for comfort.

This is a year to move.

To risk.

To shine the light of Jesus and proclaim the Good News where it has never been heard.

Say “yes” — and let's shake the nations together.

With bold faith and relentless gratitude,

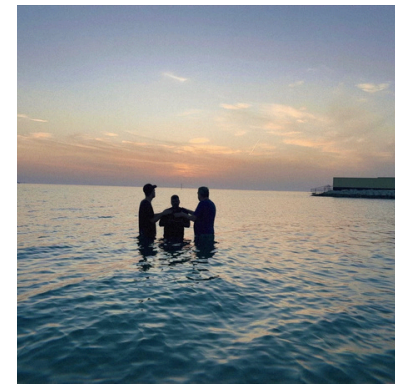

Sean Feucht  
Founder, Light A Candle

# THE LIGHT SHINES IN THE DARKNESS

## Sponsorship

- 107 children were sponsored this past year.
- Over 1300 children received monthly food distributions
- All sponsored children received two medical checkups, 50+ for the first time ever.
- The children in our program were pastored and disciplined.
- 22,000 meals provided through the No Child Left Behind Fund (NCLB) keeping them safe from trafficking.

## Short-Term Missions

- 112 short term team members were sent out to 9 different nations on 15 outreach trips
- Outreach trips were taken across the continents of Africa, Asia, Europe, and North America
- Teams unleashed the power of Jesus into the darkest places: healing the sick, setting the oppressed free, baptizing new believers, rescuing those enslaved, delivering life-saving medical care, and revealing the unstoppable worth of every soul in Him.

For countless people, hope exploded into their lives for the very first time, and the kingdom of God broke through in ways that will never be forgotten!

**& THE DARKNESS HAS NOT OVERCOME IT.**

# Missionaries

The Coons and Delaneuville families launched out to Northern Iraq in September and immediately began sharing the Good News, holding weekly discipleship meetings, underground church services, worship nights, and kids' programs.

In partnership with a Syrian family who lives in the area, they are dedicated to reaching as many people in the surrounding cities and villages through the ongoing projects and discipleship as possible.

Their prayer is for the growth of the base and for more passionate believers who will be bold and fearless in ministering to the Muslim world. Singles, couples, and families are invited to join short term trips to fall in love with this region and join in the long term work there.

## Iraqi-Kurdistan

In Iraq's Kurdistan Region, the population is 6.37 million, accounting for 14.02% of Iraq's total population.

94% of Kurds are Sunni Muslim.

The predominant language in the region is Kurdish Sorani with Arabic also being widely spoken.

Converts from Islam face societal, family, and tribal pressure; evangelistic outreach remains sensitive.

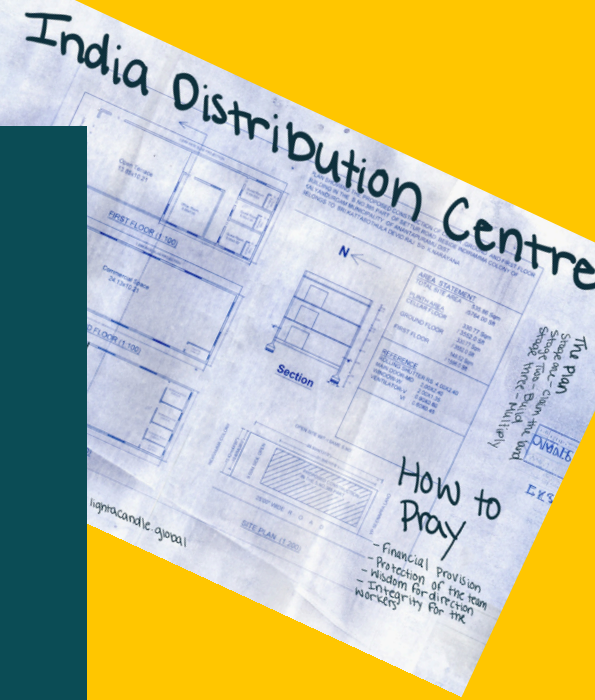

# The Zion Centre

Thanks to generous donors and 1:1 donor-matched giving we are just \$65,000 away from our goal of \$370,000 for the Zion Centre!

The Zion Center will enable us to:

- Warehouse thousands of tons of the supplies that are given to your Sponsor Child every month, saving tens of thousands each year
- Have a secure base of operations for all Indian projects
- Run training seminars for the Underground Church
- Run VBS and other childrens' programs
- Have a central office and housing for our team as they spend half their life sacrificially serving the over 1300 children in the sponsorship program.

## SHORT -TERM MISSIONS

Short term outreaches make a unique contribution to global missions.

Short term missions bring fresh wind to long term missionaries and projects and can inspire team members to consider long term missions for themselves!

## LONG-TERM MISSIONS

You can engage in long term missions by supporting one of our missionaries, sowing into the projects that we have in Iraq, setting a regular time of prayer for our long term missionaries, or joining our long-term team yourself!

**“It is too small a thing for you to be my servant  
to restore the tribes of Jacob and bring back those of  
Israel I have kept. I will also make you a light for the
