

WHITCO

Whitco protects millions of Australian homes and offers the largest range of security and hardware products for residential doors and windows in Australia. With our proud heritage, and by offering a wide variety of locks at affordable prices,

Whitco has become one of Australia's most trusted brands. The Whitco range includes deadlatches, screen door locks, window locks and sliding door locks.

WINDOW SLIDING LOCKS AND FASTENERS

The Whitco sliding vent window lock is suitable for aluminium windows and is able to be locked in an open or a closed position. Features include:

- Push button action which provides positive locking
- Available in 5 disc Keyline LF29S (silca LF43R) or C4 version
- Standard and one way fixing screws supplied
- Available in a fabricator pack which is sold less the drilling template and instructions, reducing the cost
- Available in a wide range of colours such as black, mahogany, doeskin, prim-rose, silver and white
